What a strange year we are having! The extremes of weather making many farm operations a bit of a lottery. First too wet, then too dry, followed by a bit of respite before a really catchy harvest, poor cereal yields and a shortage of straw for bedding. To me it is a shame that so much is burned to fuel power stations.

All of this as well as the Covid 19 pandemic. Resilience is the catchword – we must all be very careful, there's a long way to go yet. Peoples' lives are more important than foreign holidays, parties and raves. We are fortunate to live in a country which is free of many of the natural disasters that we see on the TV.

Let's enjoy what we have here. Nature is all around!

Walnuts are abundant, and it's the best year I can remember for acorns, and they are big.

We have had dabchicks, tufted ducks, coots, moorhens, mallards and grey lag geese breed on the brickpits. We have so many toads and the herons and little egrets are here daily, searching for them.

It's a bumper apple year and they are bigger than usual.

We have so much to be thankful for.

George Danby

From the same desk but in a new location. . .

As I write I have now left the Friskney Vicarage and am safely installed in the Vicarage in Wymeswold. I have already taken up my part time duties here, in the Barrow and Wolds Group and I have said all my Good-byes in the parishes I have been Priest of for almost twelve years, so the transition is just about done.

I have begged some space in the Parish magazine so that I could have a chance to say 'Thank you' to all those wonderful folk who took the trouble and/or expense to wish me well and to give me such a good send off ... I received such generous gifts and although my long goodbye was fragmented, I really want to thank you very much for the good wishes with which you surrounded my parting.

May God continue to richly bless you

Reverend Fiona

With the easing of some lock down restrictions and hotels reopening we are confident you will have a relaxing break in comfortable and safe surroundings.

We look forward to welcoming existing and new travellers back on board, obviously with some new restrictions and limited passenger numbers.

VILLAGE DANCES IN THE SIXTIES

Leverton was famous
-or so it seemed to us!
Getting ready on a Saturday night
created quite a fuss!

First we had to do our hair
-back-combed 'till it stood
like a horror film extract.
We were sure we looked real good!
We'd spray Pompadour hair laquer
by the ton
- until our hair resembled
a large high sort of bun!

And when at last it stood erect
we'd smooth it with a comb.
(The day the laquer stained the side-
board
I thought that I'd leave home!)
The groups would play some
Rock'n'Roll
we'd whirl and twirl about.
This was the sixties, we had soul
and sang to 'Twist and Shout'!

WRANGLE PARISH COUNCIL MEETING NOTES

Notes of the *remote* Parish Council meeting held on 01 September 2020 attended by:

Cllrs Edwards, Featherstone, Bowles, (7.55pm), Seymour (8.00pm) and Danby (Chairman)

Apologies were received from: Cllrs Wrisdale and Ashton

Also Present: County Cllr Skinner

Declarations of Interest

Cllrs Bowles and Edwards declared an interest, by email, in planning application B/20/0304.

Approve minutes of the remote meeting held on 07 July 2020

The notes, previously circulated, were approved as the minutes, and will be signed by the Chairman in due course.

Receive reports from representatives on outside bodies

There was no report from the PCSO.

Borough Cllr Ashton reported by email:

The alliance with ELDC is continuing to develop well. Committee business has resumed with Boston becoming the first Licensing Authority to revoke an alcohol licence for premises in breach of Covid restrictions. The Borough Council draft Corporate Strategy will be out for public consultation following the scrutiny process

County Cllr Skinner reported:

Highways Officers have met with the residents at Main Road regarding the vibration from the traffic on the A52. Works will be carried out in March 2021 to try and alleviate the situation. The request for an advisory speed limit of 40mph has been sent to Highways.

Recreation Field

Following discussion it was resolved that the play area be unlocked, the trees will be checked beforehand since a branch fell off one on a windy day. Signs will be put up stating that the play area is to be used at 'your own risk' with instructions regarding the use of user's own hand sanitiser etc. Branches have fall off some trees in the area of the outdoor gym and one in the play area. The trees will be looked at before the play area is re-opened.

Glass can be mixed in the glass banks when the required one is full.

Fly-tipping should be reported to the Borough Council on 01205 314200
