Last year was one we all wanted to forget and now, after the miserable harvest, and the Corona Virus we are in the same position again! Promising news of a Corona vaccine, which may be available shortly, gives us a glimmer of hope for the future.

I bet you've all seen the amazing amount of Pinkfeet geese as they fly in to the fields to feed on the maize, returning to the Wash to roost before dark. Fieldfare, redwings and blackbirds are arriving to feast on the many berries on the hawthorn hedges. Our native blackbirds move west to Wales and Ireland, making room for their European counterpart.

At last the US Presidential election has ceased to take all the airtime, yet another strange episode!

The cover picture, this time, is of the stile which has recently been constructed near the sea bank. It is the most elaborate one I have seen, but also the least user-friendly!

My thanks to everyone who has helped out, in any way, while people are under the Covid 19 restrictions. We have a good community spirit in Wrangle.

May I wish you all as good a Christmas as possible, in the current circumstances, and a real hope for a happy and less traumatic 2021

*George Danby*

## **A POPPY APPEAL THANK YOU**

The total raised for this year's Poppy Appeal in Wrangle and Old Leake is **£1152.50**. Despite the challenges of a lockdown, this is only slightly less than last year's total which is fantastic news. Thank you to everyone in the local shops, who kindly displayed a poppy box, those who donated so generously and those who proudly displayed the poppy in their window.

### **Every Poppy (and penny) counts!**

The British Legion is there to support the Armed Forces community with campaigning to help improve their lives and ensuring those who served and sacrificed are remembered. Fundraising through the Poppy Appeal enables the British Legion to provide welfare support to serving and former serving personnel and their families. Last year's Poppy Appeal raised £55 million nationally and over £63 million was spent on welfare services.

### **We welcome everyone!**

The Royal British Legion was founded in 1921. We have 235, 000 members and 110, 000 volunteers, as well as fundraisers, but we will always welcome more. If you want to support the British Legion and it's work, but don't have time to spare as a volunteer, you can become a member. In exchange for your membership fee (£17 per year), your membership card will give you priority access to the Festival of Remembrance and discounts on Poppy Shop products and Remembrance tours. You don't need to be, or have been, in the Armed Forces to join.

If you live in Wrangle, Old Leake or Leverton and want to join the Wrangle & District branch please contact [rblwrangle@live.co.uk](mailto:rblwrangle@live.co.uk). You don't have to join our branch committee but are welcome to come along to our monthly meetings at The Bricklayers (PE22 9HT). These are usually at 7.00pm on the 2nd Sunday of the month but have paused due to Covid restrictions.

If you are serving, or ex-serving, and need our help or advice please call 0808 802 8080. Phone lines are open from 8.00am to 8.00pm, 7 days a week. Alternatively, you can access the online chat via the 'Contact' page on our website [www.britishlegion.org.uk](http://www.britishlegion.org.uk).

## **Helping households save this Big Energy Saving Winter**

Citizens Advice Mid Lincolnshire (CAML) covering Boston, Sleaford and North Hykeham, will be helping people reduce their energy bills and save money as part of **Big Energy Saving Winter** (November-January).

They will be supporting people across the region to follow three simple steps to prepare for the winter ahead:

- **Check** to see if they are eligible for discounts, grants and support
- **Switch** their tariff or energy supplier to get the best deal
- **Save** money by becoming more energy efficient

Citizens Advice Mid Lincolnshire are offering individuals and groups the chance to join in with a specially designed online presentation that will lead you through the check, switch and save messages.

As Big Energy Saving Winter 2020 kicks off, new research shows that one in three (35%) bill payers say they are using more energy than they usually would at this time of year.

Energy is essential and everyone should be confident they can adequately heat their home and protect their health. It's crucial no-one is paying more than they need to for their energy, especially during this global pandemic when many of us are spending more time at home.

**For more information and to book a presentation please email:**

**[events@citizensadvicemidlincs.org.uk](mailto:events@citizensadvicemidlincs.org.uk)**

We give people the knowledge, and confidence they need to find their way forward whoever they are, and whatever their problem.

## The Most Precious Gift

We may not prepare for Christmas  
the way we usually do.  
Christmas Day might be different,  
shared with a limited few...

We may not be 'in the mood'  
or think it wise to go into town.  
Maybe we'll put Christmas lights up early,  
if Covid's 'grinding us down'...

We may not see close friends  
to share tea and a friendly chat.  
Thank goodness for phones and laptops;  
we can stay in touch like that!

We may not like what's happening  
but there's one thing that's sure to uplift;  
the true meaning of Christmas reminds us  
that love is the greatest gift!

© Annette Borrill

## CHRISTMAS 2020

All being well we will all be able to  
celebrate Christmas in the way we  
usually do, or the way we would  
like to if we have decided to  
change our plans for this year.

If, by any chance, we are forced to  
change our plans due to any  
restrictions, please look out for  
each other. If you have a  
neighbour, that would normally go  
to visit their family for Christmas,  
please check they are okay and  
not feeling too lonely. A phone  
call, a wave or a chat across the  
fence can mean so much.

Hopefully it will not be so  
dramatic, but to check on  
neighbours is always a good thing  
to do, especially if you knock on  
the door with a mince pie and a  
little time for a 'catch up'.

It is also a good time to say THANK  
YOU to the volunteers who cared  
for and shopped for other  
residents during both lockdowns,  
it is much appreciated.

## **Wrangle Show Committee**

wish you all

**A Very Merry Christmas**

**& Good Health, Wealth and Happiness**

**in the New Year**

**We're hoping to be back on 4<sup>th</sup> July 2021**

This will be a big investment in the town. When the Port of Boston was in use the town was successful, so there are plans to expand the port again to be used for exporting food. Following two visits with Highways Officers the grates in the A52 have been levelled and the flooding problem at Chapel Lane is being discussed with Anglian Water to try and resolve the problem. The pothole across Sea Lane has been repaired, but the road is still in an atrocious condition. A 'Find and Fix' team has been in the area and reported various 'issues' for repair, the reporting will be more specific in the future. The County Council has received funding for food banks to feed Children. A question was asked about the parking in Boston that will be affected by the Boston Town Deal. A variety of projects for the town were consulted on and discussed before the final project was submitted.

Borough Cllr Ashton reported:

The Local Government Association are working on a Draft Code of Conduct, when the Code of Conduct has been adopted by Boston Borough Council this will also become the new Parish Council Code of Conduct.
