At last we can look forward with renewed hope. The Corona vaccine is being rolled out apace and infection rates are coming down significantly. We are all looking forward to the end of this lockdown, but we mustn't drop our guard too soon. Please be patient and follow the rules.

Spring is in the air – days are getting longer and the daffodils are in magnificent bloom. Hawthorn is bursting buds on the shady side of the hedges and elders are coming into leaf, though there are not many really healthy bushes left now.

The drying winds are a blessing, making it possible to get on the better land and put some crops in.

Straw for bedding in the crews is in short supply but the wind, as usual, is a good help in reducing the amount of straw we need to use. Calving is going pretty well and it is wonderful to see them get on their feet, often within minutes of being born, and find their first feed of mother's milk soon after.

We shall be holding our Holy Communion service on Easter Sunday at 11-00am, and perhaps be allowed to return to monthly coffee mornings before long.

On Sunday 7th March I took the dogs for a walk at the marsh. This was a regular thing when we were young because it was possible to find good amounts of driftwood, often new, that had been lost from the deck cargos of the ships bringing it in to the dock at Boston. Today all the timber is secured with steel straps and little escapes. What was noticeable was the large amount of cuttlefish bones. They were everywhere and all sizes. We used to find odd ones, often pecked by the birds, and bring them home to put in the budgie cage.

Another month and we should have cattle out on the banks and marsh, when I will make daily visits to check them, as well as enjoying the wildlife and the lovely scenery, one of the perks of farming.

Wrangle Show

It is with great sadness that again we have to cancel the show, due to circumstances out of our control. Although the country should be out of lockdown from 21st June it doesn't leave us with enough time to organise the show or cancel it without financial penalties. We will however endeavour to be back with another amazing Wrangle Show on Sunday 3rd July 2022, providing the situation and government guidelines allow!

We are still in the process of having a village sign made, the makers have been closed due to the virus, hopefully they will soon be up and running again.

Take care and stay safe.

Bug Hotels

Ever thought about building a bug hotel in your garden to encourage hedgehogs and insects which, in turn, will encourage the birds?

Here is an idea of items you can use:

An old pallet, cut to size to suit the garden

Old bricks, tiles and/or big stones

Strong cardboard

Straw, moss and dried leaves

Logs and/or twigs

Old wooden pallets are perfect for a large hotel, as they are sturdy and come with ready-made gaps.

Start by laying some bricks on the ground as sturdy corners. Leave some spaces in between the bricks – try creating an H-shape.

Add three or four layers of wooden pallets on top of your bricks. If you leave larger ends, you're more likely to attract hedgehogs.

You can also make a smaller structure, depending on the wood, bricks and space you have available.

Bugs are having a tough time due to old walls being knocked down. The cracks and crevices where the bugs shelter, live and breed are being destroyed.

A bug hotel is simple and a great way of recycling. They also provide all kinds of creepy crawlies with somewhere to live!

If you have some space, have you thought about planting some wild flowers for the bees?

April Celebrations

April: a month of hope, with new life all around...

April 2021 resonates with something more profound.

A taste of 'freedom' beckons, after the longest of years!

A time to slowly mix again; share laughter and have fun.

Let's celebrate the season now spring-time has begun

- but celebrate with care;

others are still carers

or a loved one's no longer there...

WRANGLE PARISH COUNCIL MEETING NOTES

Notes of the *remote* Parish Council meeting held on 02 March 2021 attended by:

Cllrs Edwards, Featherstone, Ashton (7.40pm), Wrisdale, Law, Bowles and Danby (Chairman).

Apologies – were accepted from Cllr Pickett

Declarations of Interest

There were no declarations of interest.

Approve minutes of the remote meeting held on 02 February 2021

The notes, previously circulated, were approved as the minutes after it was noted that the Council Tax would be increased by 2% and not by 7%, and will be signed by the Chairman in due course.

Receive reports from representatives on outside bodies

There was no report from the PCSO for this meeting.

The Borough Councillors were not present.

The County Councillor was not present.

Recreation Field

Photos have been sent to WREN, as they have been requested, for evidence that the play area they helped to fund is still there, being used and is well maintained.

Glass can be mixed in the glass banks when the required one is full

Fly-tipping should be reported to the Borough Council on 01205 314200

Highways

An email regarding movement in a property in the village was discussed. It was resolved not to ask that the buses be re-routed and there are no traffic calming measures that would resolve the issue in a 30mph area. Some potholes have been filled around the village. At Sea Lane these could be emergency repairs and will be checked. The repair by the drain on the A52 has broken up and needs to be repaired again.

Report highways issues via the:

‘fixmystreet’ app from your mobile phone

Access to the Marsh

Cllr Bowles showed photos of the edges of the parking area at the access to the marsh at Sea Lane, it was resolved that the drainage board would be asked if there was anything that could be done to ‘edge’ the parking area to prevent the edges from breaking up and making the area smaller, and to prevent any vehicles going over it.

Dog walkers are reminded that they MUST pick up after their dogs – if you walk along a public footpath then others do too. The footpaths are there for everyone to enjoy and keep their families safe. Dog waste can be double bagged and placed in your green bin.

Have you noticed the new directional sign sited at the Common Road/main Road junction?

This traditional wooden finger post has been supplied by LCC to relace the old one. You will notice that it has a reminder that Wrangle used to be part of Holland County Council.
