There's a real air of optimism, the Covid situation is improving every day and restrictions are easing. We are all looking forward to a more usual lifestyle, but we must still be cautious since the Indian variant is spreading in some areas.

After the long, dry spell the welcome recent rains have been a blessing for gardeners and farmers. The grass is now growing and the trees are displaying a beautiful range of bright green foliage. Cowslips, and other spring flowers, are showing their best colours and I have a few yellow flowers on my recently planted gorse bushes.

The days are long and the dawn chorus is in full flow soon after 4.00am. Swallows and house martin numbers have increased and there are now plenty of insects for them to feed on. Sadly, I haven't heard a cuckoo yet. For several days a small flock of 14 wimbrels has been feeding in our grassfields, these are a smaller cousin of the curlew. Although they seem to have left now, I expect to head for their breeding grounds in northern Scotland.

We have young mallards, coots, Canada geese and moorhens on the wetlands, and a good variety of smaller songbirds. I hear the laughing call of the green woodpecker daily and look forward to the appearance of the young dabchicks.

On a recent walk round the recreation field the bird cherry tree, at the middle of the eastern boundary, was in glorious bloom, covered with its white, candle-like flowers. A real delight both in appearance and fragrance. The black fruits, in autumn, are bitter and only suitable for birds.

It is a pleasure to report so many good things this time and, to cap it all, Leicester have just won the FA cup.

## Laws that Liberate Life from Fear.

Well, June is the month when all restrictions should be lifted, but we are now re-learning that a few simple, effective rules actually enable us all to live well together. Some liken it to the rules of the road - by obeying the rules at junctions, albeit to give way; give way to traffic from the right or to do what a traffic light indicates – actually enables traffic to flow and for us all to get to our destination quickly and safely.

The alternative is chaos, traffic jams due to accidents and collisions at junctions and even death itself. Lawlessness can result in people living in fear and isolation from behaviour and things that harm.

History has shown that a few effective rules bring freedom and order rather than chaos and fear. The bible has numerous “Words of Wisdom” but there are three that sum up the whole of scripture, I may have mentioned them recently:

**Love God with all your being**

**Love one another**

**Love and nurture all life**

As we move out of restrictions, we find greater freedom and liberation, but we still have to consider the needs and safety of others as well as ourselves. There are no laws against being good, therefore we become free from the guilt of causing harm to others. What might seem to be rules of oppression are actually rules to stay safe and free from harm and from harming others. These are not only rules for survival, they are rules for freedom from that which harms - rules that give life. The important thing is to make good clear laws that everyone can understand, where boundaries are clear and not endless prescriptive laws that no one, but a lawyer with a good memory, can understand. We can be free living within the boundaries, but we must guard against the oppression of those who choose harm rather than care..

As well as the principles given above, God gave Moses Ten Commandments for God’s people to live well together as a community and a nation. They are still relevant today and indeed form the basis of our legal system and “Common Law”. The key one is actually the last one “Do not Covet” (ie Do not crave that which belongs to others). John says if we get that one right then all other commands just fall into place. This is about our “attitude” rather than our “acts”. The key is to live each day thankful for the gift of life itself and do our best to make each day worth living. It seems that blessing others is one of the most fulfilling and happiest ways to live and enjoy life. Working well extends to the way we treat one another at work to!

As we move to a new freedom, let us remember that some rules keep us all safe and well. We can be creative and discover new ways to comfort and enjoy one another, whilst also keeping each other from harm. Let us remember the ten principles that have proven themselves for Centuries, the Ten Rules God gave to humanity to live well together. (Why not google “The Ten Commandments!”)

May God Bless us as we discover our new freedom.

*Andrew Higginson*

# Lincolnshire Road Safety Partnership

I am writing to the Parish from the Lincolnshire Road Safety Partnership to provide you with the outcome of a recent speed survey requested by a resident with concerns about traffic speeds along Main Road.

The survey was conducted outside Kimes Transport and commenced on 24 March 2021 and continued for a seven day period.

A daily average of **5985** vehicles travelled through the survey area with a fairly even flow in each direction. Analysis of the speed data showed that the **average speed** of vehicles was **31.9mph**. The speed data showed evidence that vehicles were exceeding the speed limit at a speed that would make the drivers liable to action/prosecution by the Police with 8.5% travelling at 10mph or more in excess of the 30mph limit.

I have researched the collisions involving personal injury for the last 3 year period up to a data date of 28/02/21 and there have been four slight injury collisions recorded, one being speed related.

Highways engineers within the Road Safety Partnership have assessed the area and inform me that no engineering casualty reduction measures were identified.

As you will be aware the Government is committed to ensuring that the process for deploying speed cameras is transparent and that cameras are only used at locations where they can make a demonstrable reduction in speed related casualties. The only form of speed enforcement that the LRSP can carry out is with the use of speed cameras; however, the site selection process has to comply with the criteria set out by the Department for Transport.

This criterion includes locations where there is a history of speed related injury collisions, supported by evidence of a high degree of non-compliance with the speed limit. In that respect Lincolnshire Police, through the Road Safety Partnership, adheres to the site selection criteria set out by the Department for Transport to ensure that the process is completely transparent and that cameras are only used as a casualty reduction measure.

The results of this survey, together with an analysis of the collision data, show that the criteria required for mobile speed camera enforcement **has been met** when considered in conjunction with there being a school on this road.

As a result of my Senior Manager authorising a site to be established, we have revisited Wrangle and, with the consent of a number of residents in the area of Kimes yard, have agreed a location for our speed camera vans.

I have now passed this to the enforcement team for Wrangle to be added to the rota.

Dear Wrangle Parish Council

**ADVANCE NOTIFICATION OF ROAD IMPROVEMENTS  
SCHEME: MAIN ROAD (A52), WRANGLE**

We are writing to inform you that the above highway scheme is in the course of preparation and that it may cause disruption to the highway network for vehicular traffic.

1. Description of works:- Resurfacing works, in two phases.
2. Reason for works:- To replace defective road surface
3. Main Contractor:- Lincolnshire County Council Highways Alliance  
Toppersfield
4. Commencement date:- 1<sup>st</sup> June 2021 – 16<sup>th</sup> June 2021
5. Approximate duration of works:- 2 weeks, night time only (7pm – 7am)

*In order to minimise disruption to the majority of the travelling public the works will be carried out at night. The Contractor will be required to keep the noise from the works during this night work to a minimum, especially after 10pm.*

The decision to proceed with these works has been taken and full consideration has been given to alternative means of construction and traffic management. All reasonable measures will be taken to complete the scheme as quickly as possible. Every effort will be taken to minimise disruption and inconvenience. The road will be closed to traffic and a diversion will be in place for the duration of the works. The works are being completed in two phases to allow vehicular access to properties affected by the works, and to keep delays to a minimum. Phase 1 includes Holland Lane area, and Phase 2 includes the area between Wrangle School and Gateroom Lane.

Your co-operation and understanding during these works will be appreciated but should you have any specific needs or requirements or require further information, please do not hesitate to contact us on the details given above.

Yours faithfully

## WRANGLE PARISH COUNCIL MEETING NOTES

**The Annual Parish Council Meeting took place before the Parish Council meeting. Cllr G Danby will continue as the Chairman of the Parish Council with Cllr B Bowles being the Vice-chairman.**

### **Notes of the *remote* Parish Council meeting held on 04 May 2021 attended by:**

Cllrs Edwards, Featherstone, Pickett, Seymour, Wrisdale, Law, Bowles and Danby (Chairman).

**Apologies** were accepted from Cllr Ashton, who will arrive late

**Also present:** County Cllr Skinner

### **Declarations of Interest**

There were no declarations of interest

### **Approve minutes of the remote meeting held on 06 April 2021**

The notes, previously circulated, were approved as the minutes and will be signed by the Chairman in due course.

### **Receive reports from representatives on outside bodies**

The PCSO reported, by email, incidents to 07 April:

**2** traffic offences at Main Road; **1** incident of criminal damage at Sea Lane; **1** concern for safety at Brick Lane and **1** suspicious circumstance at Wrangle Bank

and for incidents to 29 April 2021:

**1** Concern for safety at Main Road; **1** suspicious circumstance at Love Lane; **2** vehicle offences at Church End and at Cragmire Lane; **1** traffic offence at Main Road and **1** road traffic collision at Wrangle Bank

Borough Cllr Pickett reported that he would be the Mayor of Boston for 2021/2022, the Chairman congratulated him on behalf of the Parish Council.

The County Councillor reported:

Covid figures in Boston are going down, but everyone still must be sensible to help prevent a rise in cases. The LCC election will be on Thursday. The latest highways report has been sent to all Councillors. Fly tipping and speeding traffic continue to be a problem in the area.

### **Recreation Field**

The Chairman has looked at the trees around the field and cannot find any that are a danger to anyone at this time. The trees will continue to be inspected at regular intervals. The young trees by the dyke are leaning slightly due to over growth from the trees that were previously removed. A working party will deal with this in due course. There are some branches on the ground from a tree by the pavilion, the Chairman will collect these to enable the grass to be cut. The insert from the bin by the pavilion has been removed. A replacement will be sought. The bin by the roadside needs to be checked as the door was open. A pole by the bowls club is leaning into a tree which may be keeping it in place. This will be further investigated to check that the pole is not rotten at the base.

**Glass can be mixed in the glass banks when the required one is full.**

**Fly-tipping should be reported to the Borough Council on 01205 314200**

Cont.....

**Dog fouling is still an issue  
including on the football pitch  
The recreation field is for the use of everyone  
DOG FOULING IS NOT ACCEPTABLE**

**Access to the Marsh**

Witham Fourth IDB are going to make the parking area at the access to the Marsh wider and put a border in place to prevent vehicles falling into the Delph.

**Highways**

Potholes that have been recently repaired seem to have had a good job done. Anglian Water have completed a job at Main Road, hopefully this will help reduce the vibration in the nearby properties. It was suggested to County Cllr Skinner that LCC should invest in new equipment for the repair of potholes. LCC are currently trialling a new item of equipment to repair potholes.

Report highways issues via the:  
**‘fixmystreet’** app from your mobile phone

Photos of the defects can be taken and sent with the report

**Marsh Access**

The work reported at the last meeting has not yet been started.

**Plans received**

**B/21/0171**- Dunnington - Retention of livestock building following demolition of existing building at Guano Farm, Wrangle Bank - **SUPPORT**

**B/21/0194** - Shane Stengal Constuction - Proposed front and rear extension and remodelling of existing bungalow at The Bungalow, Main Road - **SUPPORT**

**Planning decisions**

There were no planning decisions

**Wrangle Maps**

Maps of Wrangle are available to purchase at a cost of £5.00 each. If you would like a Wrangle map please contact the Parish Council Clerk by email or by phone. The maps are also available at the Church.

**Date and time of next meeting**

The next meeting will be held on Tuesday 01 June 2021 at 7.30pm in the Chapel School Room – all social distancing rules must be observed by all attendees.

**Dog walkers are reminded that they MUST pick up after their dogs – if you walk along a public footpath then others do too. The footpaths are there for everyone to enjoy and keep their families safe. Dog waste can be double bagged and placed in your green bin.**

A campaign card for Matt Warman MP. On the left, there is a list of contact information with icons: a house for address (63 Wide Bargate, Boston, Lincolnshire PE21 6SG), a telephone for phone number (01205 809110), an envelope for email (matt.warman.mp@parliament.uk), a globe for website (mattwarman.co.uk), and a sign for a campaign (Warmanfor BostonSkegness). In the center is a portrait of Matt Warman, a man in a suit and tie. To the right of the portrait, the name 'MATT WARMAN MP' is written in large, bold, white capital letters. Below the name, the slogan 'Serving the people of Boston and Skegness' is written in a white cursive font. In the background, there is a faint crest or coat of arms.
