What an excellent spring we are having, and how glorious the bright greens of the new leaves on the trees and hedges? A multitude of flowers now coming into bloom. Dandelions in profusion and the similar looking coltsfoot, the one that shows its flowers before the leaves appear. This was commonly known as clay leaf because it favours heavy soils.

Butterflies are appearing, especially the beautiful yellow brimstone, I have seen several recently. The warm, sunny days have also brought out peacocks and small white.

Curlews fly in every morning to feed on the grassland, and I love to hear their calls. A song thrush is singing daily at the brick pits. These are very scarce now, and we never see the scatter of brown and yellow snail shells around an old brick or bottle. We have a resident snipe on the wetland and I hope it is breeding. Shelducks have started visiting the wetland pools and, no doubt, are looking round for rabbit holes to nest in. I am seeing muntjacs and roe deer daily, the latter often just giving their position away by their tall, V-shaped ears showing above the grass margins.

From a farming perspective this is the easiest spring sowing and planting time we have had for years. The only thing lacking from times gone by was a good frost mould, when cultivations were easily done with a set of harrows and a small tractor. Now tractors and equipment are getting ever bigger and, whilst forcing an acceptable tilth, are consuming endless gallons of ever more costly fuel. And they think this is progress!

## Wrangle Platinum Jubilee Celebrations - update

Plans for the Jubilee Celebration on 05 June 2022 are progressing well.

We have started to receive the promise of sponsorship from local businesses which has now allowed us to start booking the entertainment for the day. We will provide a full line up once we have confirmation.

The day will start with children's entertainment, a Fancy Dress Competition, a Fun Dog Show and Demonstration and the "Jubilee Big Lunch" for the children and their families, followed later by a BBQ and live music from several bands.

As the evening starts we have more live music and a Buffet Curry selection to choose from.

The Angel Inn is planning on hosting a small beer festival to complement the day.

Keep your eyes open on the Wrangle Community Facebook page for more details as we get nearer the day.

If you run a local business and wish to get involved, in any way, then please contact the committee on:

# WRANGLE PARISH HALL ANNUAL GENERAL MEETING CHAIRMAN'S REPORT

During the AGM in March 2020 both the secretary and booking clerk positions could not be filled, so the meeting was adjourned to organise an EGM. The EGM could not be held due to COVID restrictions. Resigning committee members agreed, over the phone, to continue for the unforeseeable future and help through the pandemic.

The hall was closed until 20 September, but had to be monitored for insurance purposes, briefly opening again under COVID guidelines for two months. The hall was again closed between 20 November and 21 April. During April, hirers started to use the hall again with all COVID restrictions being adhered to.

During these difficult times the hall was fortunate to secure Government COVID funding. Meetings were held, less frequently, via Zoom.

Tony reported that he could no longer cut the grass, but Mick Ross helped with this up to the end of October, for this the committee would like to say 'Thank You'.

During last year the hall had to play 'catch-up' with maintenance including the heating, the lighting, the fire alarm and the PAT testing.

We would like to thank Terry Woods for clearing the over-hang on the footpath, free of charge.

Our long-standing treasurer, Tony Wright, sadly resigned in October due to family commitments. A heart-felt thank you for your accountancy, grass-cutting and loyalty over the years, it has been very much appreciated. As Tony had been the British Legion representative, Clare Law was asked to join the committee. It was agreed that I would become acting treasurer.

In November the committee was asked, by Mrs Sarah Bailey, if she could host a Christmas Fayre and erect a Christmas tree in the hall grounds. The event was to be held in December and include a light switch-on. This was agreed and the event was very well attended and successful.

Weekly bookings are good, but there is still room for more – please support your Parish Hall if you can.

MANY THANKS TO: Bryan Bowles and John Edwards for the car park maintenance; Lizzy for the cleaning and the extra cleaning required during COVID; Becci for continuing in the position of secretary and for the support given and SPECIAL THANKS to Natasha, especially through COVID, checking risk assessments, meeting with hirers, taking the bookings and ensuring the financial upkeep of the Parish Hall.

## Just a Little Kindness

Humour is a gift;  
passion and warmth allow  
the dormant spirit to awake  
and quietly take a bow.

Kindness and compassion  
are characteristics rare;  
somehow it's often frowned upon  
to reach out and to care...

For all the possibilities  
the recent century's brought,  
they're really insignificant,  
if kindness isn't taught...

We're so lucky sharing spring-time  
in freedom with our friends.  
Let's pray for those who live in fear  
that their unfair suffering ends...

## **Mel Marshall Way is named because:**

Melanie Jayne Marshall MBE was born in Boston and brought up in Wrangle, attending Wrangle Primary School and learning to swim in the school pool.

She is a former British swimmer who has won numerous medals for her country, as well as being a swimming coach of the year for her work with Adam Peaty in Derby and later in Loughborough.

Her international career started at the 1995 European Youth Olympics in Bath, where she won four gold medals.

Melanie was ranked number one in the world in 2004 after breaking the British 200m freestyle record to ensure selection to the 2004 Olympic Games in Athens.

Melanie has won two silver medals and a bronze medal at World Championships as part of the British freestyle relay team.

In European Championships she has won one team gold and silver together with one individual gold, a silver and a bronze.

Melanie has seven Commonwealth medals, six of which were gained in Melbourne in 2006. Her Commonwealth medals include four silvers as part of a team and one individual, the others being two individual bronze medals.

Following her retirement in 2008, Melanie became the head coach at City of Derby Swimming Club, where she first began coaching Commonwealth, European, World and Olympic champion Adam Peaty.

In 2014 she was international swim coach of the year.

Melanie was appointed Member of the Order of the British Empire (MBE) in the 2021 Birthday Honours for services to swimming and charity.

Well done Melanie, a great achievement from a young Wrangle resident!

## WRANGLE PARISH COUNCIL MEETING NOTES

### **Notes of the Parish Council meeting held on 05 April 2022 attended by:**

Cllrs Wrisdale, Bowles, Featherstone, Seymour, Law, Edwards, Ashton (8.15) and Danby (Chairman).

**Apologies** were accepted from Cllr Pickett

**Also present:** County Cllr Skinner

### **Declarations of Interest**

There were no declarations of interest.

### **Approve minutes of the meeting held on 01 March 2022**

The notes, previously circulated, were approved as the minutes and signed by the Chairman.

### **Receive reports from representatives on outside bodies**

County Cllr Skinner reported Staff are beginning to come back to the Borough council offices to work and are all working towards getting members of the public back into the building. Works are proposed at the Geoff Moulder swimming pool and gym to bring it up to date and improve the facilities for all users. The Government will not give LCC £12m requested for highways. This money was found from reserves for last year, but now the reserves are spent. The result is that the highways services will be worse than it has previously been. Lincolnshire has missed out on the 'leveling up' funds in the first round, but it is hoped that there will be some funding from the next round.

### **Recreation Field**

Work has been carried out in the car park to level it up, the entrance by the road will be looked at to see if anything can be done to prevent it from moving again. Anglian Water have cleared the area they own. The stumps on the side of the dyke need to be removed. Cllrs will have a look at the ivy growing around the trees in the field with a view to cutting a section out to stop it growing up the trees.

**Glass can be mixed in the glass banks when the required one is full.**

**Fly-tipping should be reported to the Borough Council on 01205 314200**

**Dog fouling is still an issue  
including on the football pitch**

**The recreation field is for the use of everyone  
DOG FOULING IS NEVER ACCEPTABLE**

### **Plans received**

**B/22/0099** - Mr Bucknall - Approval of reserved matters (access, appearance, landscaping, layout and scale) following approval B/21/0262 (outline application with all matters reserved for the erection of one 2 storey dwelling) at land adjacent to Knebworth, Church End  
- **SUPPORT**

### **Planning decisions**

**B/22/0035** - Mr & Mrs S Farr - Single storey rear extension at 7 Gold Fen Bank - **GRANT**

**B/21/0454** - STT Group - Proposed change of use from agricultural land to domestic land including recreational pond at Dorolidge, Lockhamgate - **GRANT**

## Highways

An email from LCC regarding the cost of replacing lamp No10 Tooley Lane - £350.00 plus VAT – has been received. Following discussion it was resolved not to replace the lamp at this time.

**'fixmystreet'** app from your mobile phone

Photos of the defects can be taken and sent with the report

Please include the road name and village in the report

A Parish Council grant of £1000.00 has been approved for the purchase of a Platinum Jubilee Bench. A Borough Councillor grant of £1000.00 has been approved for use towards the Jubilee celebrations in the village on 05 June 2022.

## Contribution to the weekly rural bus service

The Clerk explained the situation regarding the rural bus service, it is run as a Call Connect service with the Call Connect bus covering the route until final decisions are made regarding the service. LCC have asked if Parish Councils would be prepared to contribute to the cost of running this service. Wrangle Parish Council would be prepared to support the service but more details are required at this time.

## Wrangle Maps
