How was that? No, I'm not asking the umpire to give the batsman out. I am referring to the wonderful Wrangle Show our small group of organisers have produced for the village. Very well done and a big thank you. A good crowd and pretty good weather. There were plenty of happy faces and opportunity to meet friends, old and new, after two missed years. And what a finale? The best flypast ever by the BBMF Lancaster will long be remembered.

The long spell of hot, dry weather- fine for hay making – is seriously affecting some of the vegetables yet suiting other things.

There is a fine show of sea lavender on the saltmarsh, and the best crop of walnuts I can remember (cover picture).

Farmers have a reputation for moaning about the weather but, really, we are so lucky to have a temperate climate with few real extremes. When we consider the recent, massive rains in Sydney, Australia where they got 29 inches in four days (our annual average about 23 inches) yet in other parts of that enormous country there has been no rain for over four years.

Pacific islands have been swamped and others devastated by typhoons etc.

We can look out at a green and peaceful countryside with amazing sunrises and sunsets.

We really are blessed.

Keep Calm and Carry On

With high temperatures, political turmoil and holiday disruption there may be plenty to make our tempers boil, but often losing our tempers only makes us and those around us miserable. In the midst of the blitz, and being bombarded with bombs in the second world war, the Brits were encouraged to “Keep Calm and Carry On”.

The challenges we face today are nothing in comparison to those of our ancestors and we should perhaps get a perspective on how fortunate we are compared to many around the globe.

Judie Tzuke sang a song “If” making me aware of Rudyard Kipling’s poem “if” which begins “If you can keep your head when all around you are losing theirs...”. When, in the midst of a crisis, you are able to raise the spirits of those around you is a great gift. The British sense of humour when we are able to look at the darkest of situations and bring laughter is also a gift that sustained many in the first and second world wars. Whilst not being politically correct it enabled those facing despair to step back, have a laugh and get a sense of perspective and calm.

If we are alive we can see each day as a precious gift of life from God to enjoy. At the time of writing there are prophets of gloom with regard to travel by air or train, surviving in record hot temperatures, and struggling with the increased costs of basic living.

We can make choices to avoid such disruptions which may mean having to think carefully about what we choose and who we choose to invest in.

Jesus showed us that investing love in people brings joy, hope, harmony and peace. Paul encourages us to “be kind and compassionate to one another and to forgive, just as Christ forgives us.” An attitude of gratitude leads to contentedness and happiness.

May you have a summer blessed with calm and happiness.

Keep Calm and Be Happy

What a Show!

All those involved did Wrangle proud;
tradition and innovation once more combined,
to give something for everyone in the crowd
- even the weather decided to be kind!

July also brought lots of sport on TV;
women's football, tennis and cricket...
We shared our opinions; our minds were set free,
'GOAL' or 'OFF-SIDE' and 'leg before wicket'...

Children get a break from routine,
now that August's here;
out-door enjoyment, less time on the screen.
How quickly we've reached this time of year!

We'll wander through woodland
or stroll by the sea,
eat sea-side snacks - sprinkled with sand,
then finish the day with a nice cup of tea!

Declarations of Interest

There were no declarations of interest.

Approve minutes of the meeting held on 07 June 2022

The notes, previously circulated, were approved as the minutes and signed by the Chairman.

Receive reports from representatives on outside bodies

Borough Cllr Pickett reported that the Borough Council has obtained some large grants to help with projects to improve Boston. Improvement works at the Geoff Moulder Leisure Centre will be carried out.

Recreation Field

The bridge across the dyke has been partly removed, the Parish Council will arrange for it to be completely removed. Wrangle FC have not paid the pitch fees for 2021/22 season, the reason being that the moles have caused the home matches to be played away. As this was not brought to the attention of the Parish Council until the invoice was sent out, the fees should be paid. The hedge behind the fence at the play area will be 'laid' later in the year. The rotten wood covering windows and doors at the pavilion need to be replaced, the handyman will be asked to do this work. Tarmac will be purchased to fill the holes in at the entrance to the car park.

Glass can be mixed in the glass banks when the required one is full.

**Fly-tipping should be reported to the Borough Council on
01205 314200**

Dog fouling is still an issue especially on the football pitch.

The recreation field is for the use of everyone

Highways

There is a streetlight that is out in Tooley Lane. The proposed 30mph speed limit reduction for Broadgate was supported. A request to have the speed limit signs offset will be put to LCC, this will allow all farm traffic to pass without damaging the signs. LCC will be asked to clean the gullies along the main road before the winter months, they need doing now as they are not clear.

Report highways issues via the:
'fixmystreet' app from your mobile phone

Photos of the defects can be taken and sent with the report

Please include the road name and village in the report

Wrangle Maps

Maps of Wrangle are available to purchase at a cost of £5.00 each. If you would like a Wrangle map, please contact the Parish Council Clerk by email or by phone. The maps are also available at the Church.
