Generally farms have achieved the quickest and easiest harvest for many years. The prolonged hot, dry weather has ripened cereals and pulses earlier and virtually removed the need for any artificial drying. Straw is the downside, having been made so brittle, and has smashed up in the combines. Bedding the cattle yards will be more laborious.

Recent rains have transformed our lawns and pastures from being brown, shrivelled and tired into lush, green and fast growing in just a few days.

Wildlife has enjoyed a good season and, to my amazement, I was able to count 32 yellow wagtails on Old Leake Sea Lane a few weeks ago. I have never seen a family of more than 8 to 10 together before. Two pairs of dabchicks have bred successfully on our clay pit. My first wheatear of the autumn appeared on the sea bank on 13th September and an early skein of pinkfeet geese flew over, high, the following day.

Our new village sign, designed and funded jointly by the Wrangle Show committee and the Parish Council will be erected, at Church End, well before this magazine is out. There will also be a lovely Platinum Jubilee bench installed at the same location. A pleasant place to sit and watch the world go by.

How sad it is that we learned that our wonderful Queen Elizabeth II had died aged 96, at Balmoral, and so soon after those memorable celebrations.

Her Majesty has served Britain and the Commonwealth so well during her record breaking 70 years and is renowned throughout the world, for her dignity, her wisdom, her warmth and cheerful sense of humour.

May she rest in Eternal Peace. We now celebrate the accession of our new Monarch, King Charles III.

All Change with a Third Dimension

At the time of writing we have heard of the death of Her Majesty Queen Elizabeth II. Her last public act was to invite our third woman Prime Minister, Liz Truss, to form a government. Now the new Prime Minister has now met our new King Charles.

So, in one week both the government and monarchy have changed in a very quick transfer of office, and both have referred to a third dimension to their leadership, God. Liz Truss ended her speech with the words “God save the King”.

This third dimension to any relationship between two people is how we are created to be as human beings. Jesus encourages us to embrace, or receive, the Holy Spirit in us and among us.

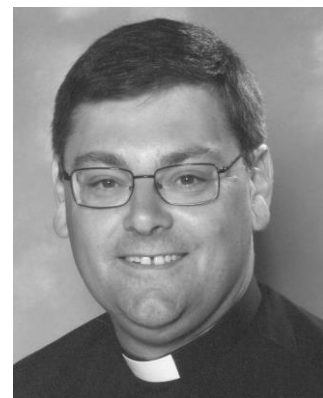

When we miss out the third dimension, we deny ourselves the opportunity to be fully human and may not experience life in all its fullness which is why Jesus said He came to the earth. In fact, when we deny the Holy Spirit access to our inner being we leave a gap that can see other things fill it. When the human spirit goes unchecked the survival instinct that gives preferment to self increases and can put self above others. This is the start of selfishness and greed which gives rise to misery, injustice, and lack of compassion for others. It is the source of much suffering in this world.

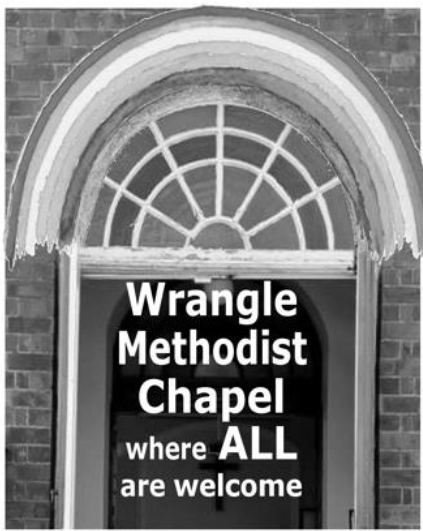

Queen Elizabeth II always saw herself as a servant of God and a servant of the Peoples who accord her authority. She has often spoke how in a position of leadership and responsibility (that can often be a lonely place). God has been her strength and guide. Her model of humble leadership and service is modelled on that of Christ Jesus, a leadership of Love, Joy, Hope and peace

Queen Elizabeth lived in relationships with the third dimension of the Spirit of God. Ecclesiastes chapter 4 verse 12 points out that “A cord of three strands is not quickly broken.” She endured, and indeed enjoyed, over 70 years as our sovereign may she now receive the promised blessing of God, loving life for eternity and after resting in peace rise in glory!

God Bless the Queen and God save the King!

Old Leake with Wrangle Methodist Church: Community Conversation

In July's Parish Magazine, we asked the community to help us by kindly completing a survey 'Thinking and Praying about the Future'. This was to seek your views about the Methodist Chapel on Main Road. Just nine responses were received but we're grateful to those who took the time and trouble to complete it.

We now invite the community to join us in-person for a peaceful, respectful and constructive conversation about the Chapel's life, work and future. This will take place on **Friday 30th September**, 7.00pm - 9.00pm at Wrangle Parish Hall.

We'd love to see you.

Kind regards and God bless

Rev'd Dr Val Ogden

A Unique Era

**A million words have been spoken,
images world-wide have been seen
as our nation comes to terms
with the loss of our much loved
Queen...**

**Her sense of duty undiminished
in her final days
... warm smile, hand outstretched...
Etched in our minds the memory
stays.**

**Heart-felt tributes have poured in
from Britain and across the world.
In our local communities,
flags at half-mast were unfurled...**

**And now as we look back
on her outstanding reign
we realise her reassuring presence
will never be felt again.**

**A unique era has come to an end
but a new era's already begun;
King Charles III and his family
will be there for everyone...**

WRANGLE PARISH COUNCIL MEETING NOTES

There were no members of the public present

Notes of the Parish Council meeting held on 05 July 2022 attended by:

Cllrs Wrisdale, Featherstone, Seymour, Law, Edwards, Pickett, Ashton (8.00) and Danby (Chairman).

Apologies were received from Cllr Bowles

Declarations of Interest

There were no declarations of interest.

Approve minutes of the meeting held on 07 June 2022

The notes, previously circulated, were approved as the minutes and signed by the Chairman.

Receive reports from representatives on outside bodies

Borough Cllr Pickett reported that the Borough Council has obtained some large grants to help with projects to improve Boston. Improvement works at the Geoff Moulder Leisure Centre will be carried out.

Recreation Field

The bridge across the dyke has been partly removed, the Parish Council will arrange for it to be completely removed. Wrangle FC have not paid the pitch fees for 2021/22 season, the reason being that the moles have caused the home matches to be played away. As this was not brought to the attention of the Parish Council until the invoice was sent out, the fees should be paid. The hedge behind the fence at the play area will be 'laid' later in the year. The rotten wood covering windows and doors at the pavilion need to be replaced, the handyman will be asked to do this work. Tarmac will be purchased to fill the holes in at the entrance to the car park.

Glass can be mixed in the glass banks when the required one is full.

**Fly-tipping should be reported to the Borough Council on
01205 314200**

Dog fouling is still an issue especially on the football pitch.

The recreation field is for the use of everyone

Highways

There is a streetlight that is out in Tooley Lane. The proposed 30mph speed limit reduction for Broadgate was supported. A request to have the speed limit signs offset will be put to LCC, this will allow all farm traffic to pass without damaging the signs. LCC will be asked to clean the gullies along the main road before the winter months, they need doing now as they are not clear.

Report highways issues via the:
