He's still going! More than a month and hardly a day without 'cuckoo cuckoo', even one morning at 3am and pitch dark. It must be a real Wrangle bird. I've had a pair of 'mongrel' ducks around the yard this Spring – mainly dark brown but with white breasts. They have now turned up on a pool on the wetland with 10 or 11 ducklings, some yellow and others chocolate brown.

Like last year we have a prolonged, dry spell and are having to irrigate broccoli on the Brickyard, straight after planting. Water levels are low in our brickpits and lake, after the shortfall of winter rain, so we are using it sparingly. Like everyone else I'm hoping for rain before long. On the flip side we have made a good amount of excellent, wrapped silage recently.

I wonder if there will be a bit of this glorious weather left for our Wrangle Show on 2nd July. The committee has arranged another action-packed day for us and, I hope, we will get plenty of local support. Any help with preparations and on the day will be greatly appreciated.

I was disappointed to learn yesterday that vandals had forced entry into a changing room at the bowls club. Stores and equipment had been strewn about, leaving club members to clear up and re-secure. How much better if the rascals had channelled their energy into something useful?

A Ray of Sunshine

As we look forward to the Wrangle Show we are hoping that the few sunny days we are experiencing, at the time of writing, will be repeated at the beginning of July.

It would appear that, in these financially hard times, people are discovering that the important things cannot be bought with money, but can be with kindness, manners, generosity and friendship. Jesus calls us to love and care for one another and all creation and you will find some of those qualities of love and care demonstrated, or on display at the Show. The attention to detail and the use of various gifts and talents contribute to our wellbeing, sense of community and Parish life.

Jesus came to be a light to the world and asks us to reflect his goodness and love in our world. So may your light of love and care shine brightly this month, regardless of the weather, and may you be a ray of sunshine in the lives of others

God Bless You.

Revd Andrew Higginson

WITHAM FOURTH DISTRICT IDB

2022 turned out to be a very dry year with hardly any rainfall from April 2022. We pumped for 8,271 hours (2021 - 13,040hrs) and average rainfall to December 2022 was only 421mm (2021 - 535mm). Over time, an average year would see around 578mm of rainfall.

For a second year, this meant that we were able to concentrate on our maintenance programme and repairing the numerous slips that occur (there is another one on the Fodderdike Drain that will shortly be repaired). We continue to work hard on a number of funding bids for capital projects and over the next 15 years, there is an ambitious Capital Replacement Programme totalling £55M that will be almost entirely funded by DEFRA.

In 2023 we will begin working on a new pumping station at Wrangle that will replace the existing station built in the 1940's at a cost of £4M. Replacement weed screen cleaners and control panels at our Lade Bank Pumping Station have been completed in 2022 that will help with the significant weed build up we get in front of our Pumping Stations, when were are pumping.

This continued investment will ensure that we are able to maintain the standard of protection for the district.

Finally, our website contains lots of useful information and contact numbers should local residents want to learn more about the Board and the work that we do: www.w4idb.co.uk

Joyful July

July has an energy all of its own;
a busy, bustling time.

Children, free from their school routine,
have beaches to visit and hills to climb.

The smell of barbecues fill the air.

There's delicious food for some;
others look at the 'well charred' meat
and pray that the inside's 'done'!

We may live our lives in different ways
but whatever July brings we know
we'll start the month in the happiest way
as we visit 'The Wrangle Show'.

I recently read a quote, which said,
*'Cherish our villages, they are the threads
that bind our nation together'.*

It reminded me of our village and Show.
Let's hope it's amazing weather!

WRANGLE PARISH COUNCIL MEETING NOTES

There were two members of the public present.

Notes of the Parish Council meeting held on 06 June 2023 attended by:

Cllrs Wrisdale, Seymour, Dickason, Hill, Edwards, Pickett, Bowles and Ashton (Chairman).

Apologies: received from Cllr Featherstone, Borough Cllrs Baxter and Butler

Also present: County Cllr Skinner

Declarations of Interest

There were no declarations of interest.

Approve minutes of the meetings held on 16 May 2023

The notes of the Annual Parish Council meeting and the Parish Council meeting, previously circulated, were both approved as the minutes and signed by the Chairman.

Receive reports from representatives on outside bodies

An email received from the Borough Councillors was read out. They have been attending training, reporting pot holes on Fix my Street and looking to get events in the Parish Hall and asking residents to consider volunteering.

County Cllr Skinner reported that some potholes had been filled in; a drain cover had been stolen and replaced so residents should be careful when parking; the Zebra Crossing request has been submitted to LCC and if there are any issue with public footpaths they should be reported to Cllr Skinner.

Recreation Field

Mini motor bikes have been used on the recreation field, this is not allowed. It was resolved to ask the Borough Council for a copy of the by-laws for the Borough. The play area inspection has been ordered. An email has been received from a resident with regard to fencing falling towards the dyke in the recreation field. It was resolved that the Parish Council can do nothing about this as the fence is the responsibility of the resident as is the dyke by the fence, being a half-dyke.

Glass can be mixed in the glass banks when the required one is full.

**Fly-tipping should be reported to the Borough Council on
01205 314200**

**Dog fouling is still an issue - especially on the football pitch, the
recreation field is for the use of everyone
PLEASE ALWAYS PICK UP AFTER YOUR DOG**

Plans received

There were no planning applications for this meeting

Prior Approval is NOT required for:

B/23/0087 - Three UK Ltd - Application under schedule 2, part 16, class A of the Town and Country Planning (General Permitted Development) Order 2015 to determine if prior approval is required for a proposed 15m phase 9 street works monopole, 2 equipment cabinets, associated meter cabinet and ancillary development at Adopted Highway Pavement opposite Wrangle Primary School, Main Road.

Concerns were expressed regarding the radiation from this monopole being sited so close to the Primary School. It was resolved to ask if a Risk Assessment had been carried out and if Environmental Health had, or would be, consulted regarding this matter.

Highways

The telegraph poles on the bend in Broadgate by Broadgate House are leaning towards the road, this will be reported to LCC. The WRANGLE nameplate at Main Road has been hit and has spun round, this will be reported to the Borough Council. The road surface at Church Lane is narrowing due to the high banks around the field and mud being swept towards the 'banks' and staying on the road surface, hence making it narrower. This will be reported to LCC.

**Report highways issues via the:
'fixmystreet' app from your mobile phone
Photos of the defects can be taken and sent with the report
Please include the road name and village in the report**

Audit for the year ended 31 march 2023

The Clerk read out the Internal Audit Report, there were no comments made. The Chairman read out the sections of the Annual Governance Statement and ticked the relevant boxes following responses from the Councillors. The Chairman signed the paperwork as required. The Clerk read out the list of Fixed Assets and assets the Parish Council are responsible for. It was resolved to add the War Memorial to the list due to the Parish Council being responsible for it. The Clerk read out the Financial Statement. This was approved and signed where required.

Community Speed Watch

Following discussion it was resolved to see if there was any interest from volunteers who would be prepared to be involved with Community Speed Watch. The Clerk will find out costings for the equipment that would be needed for this group.

Wrangle Maps

Maps of Wrangle are available to purchase at a cost of £5.00 each. If you would like a Wrangle map, please contact the Parish Council Clerk by email or by phone. The maps are also available at the Church.

Date and time of next meeting

The next Parish Council meeting will be held in the Parish Hall on 04 July 2023 at 7.30pm with a public forum from 7.15pm

VOLUNTEERS REQUIRED

TO BE PART OF A

COMMUNITY SPEED WATCH GROUP

This is to set up a group of residents that are willing to be trained in the use of equipment (supplied by the Parish Council) that will show the speed of traffic using the highway.

Details of the speeding car will be passed onto the Lincolnshire Road Safety Partnership who then deal with the matter at various stages, if continuously recorded as speeding.

The group will need a co-ordinator who will be responsible for the data collection, recording and sending to the relevant authority for action. If you are interested in being part of this group please email your interest to the Clerk to Wrangle at wranglepc@aol.com
