Congratulations to our show committee. They've done it again! The weather was kind and we had a successful show. Ring events were very popular with a good mix of attractions. Several new volunteer helpers responded to advert requests and the workload was spread more widely than usual, easing the pressure on the small committee. This was good to see and we had a real community event which bodes well for the future.

Very well done Wrangle and thanks to all concerned.

Once again we have experienced a long, dry spell but, as I write, the rain is now coming down and, if it lasts, prospects are looking better for the veg. crops.

There are two clutches of tufted ducklings on the clay pit. These are diving ducks and the young are already popping up and down making it difficult to count how many. The marsh is quiet and peaceful and the lovely sea-lavender is now at its best, with rafts of mauve for as far as you can see. Avocets have bred in Wrangle this year, on the new borrow pits adjacent to the sea bank.

On 13th July I hosted a visit by 37 children and some staff from Wrangle Primary school. A perfect day and a really enthusiastic group, learning about flowers, and wildlife and especially the profusion of small frogs and toads. I issued the children with quiz sheets to complete on their return to school. Very well behaved and an enjoyable experience.

Summer Of Our Lives

*Stop and smell the Roses,
Summers sweet perfume.
A place to view the Daffodils,
Gods nature all in bloom.*

*Sit beneath a willow tree,
Sheltered from the Sun.
A wish on every bough,
Where all our dreams begun.*

*Listen for all the sounds,
As summer plays its tune.
An orchestra of Angels,
Flowers all in bloom.*

*Birds singing in the tree tops,
In perfect harmony.
All creatures great and small,
Gods greatest symphony.*

*Be amazed by all Gods beauty,
Make each precious moment last.
A moment to capture and treasure,
A golden memory for your past.*

*Stop and smell the Roses,
Life's summers sweet perfume.
Take time to view the Daffodils,
For its over all too soon.*

Destiny Unknown

Refreshed by the freedom to roam;
spirit renewed by fresh air.

Tumbling water and water so still
that it almost isn't there...

Quiet back-drop to a splashing pool
of water far below;
sometimes falling
- sometimes not knowing which way to go.

Grassy banks and barriers
of metal and of stone
ensure the water travels on
to destiny unknown...

And so it is with us through life,
quiet spells and times when we may fall,
but like the water we are guided
and kept safe after all!

St Barnabas Hospice is Lincolnshire's leading charity for palliative and end-of-life care. We provide free high-quality care and support to over 12,000 people across the county each year and we cannot do this without the help of our amazing volunteers.

We are currently in need of new people to support us in this area.

Anyone aged 16+ can volunteer with us, we have no upper age limit. We are in desperate need of new volunteers to join our friendly shops in Boston and in Skegness.

No experience is necessary and full training will be provided.

We also have a Wellbeing Centre at:

Boston Endeavour Park
Resolution Close
Boston
PE21 7TT

This is the base for our nurses and it is the location for our volunteer-led weekly coffee mornings and Creative Wellbeing group.

If anyone is interested in sharing their creative skills (it can be anything from drawing, painting to embroidery or knitting!), please do get in contact with us. We can reimburse out of pocket expenses for mileage or public transport.

The Borough Cllrs reported:

A special support group for families with children with special needs is being set up at the Primary School. The Parish Hall is available for anyone wanting to arrange some fund-raising events. A reduction in the speed limit at Main Road was a concern for a resident when canvassing. A blocked drain has been reported to LCC. Potholes have been reported on Fix my Street. Wrangle Show was really good – thanks go to the Committee.

County Cllr Skinner reported:

Lots of the potholes are being filled in at this present time, 93 potholes have been reported for repair in Old Leake. Cllr Skinner is on the Adults and Community Scrutiny Committee which looks at social care, substance abuse services and all types of addictions.

The Show Committee reported the condition of the toilet block and that the lights had been left on, the Clerk will deal with this matter. The guttering is falling off the pavilion and the down pipes need replacing. The dyke has been cleared out and the rubbish in the culvert will be cleared out in due course. The pot holes at the entrance to the car park have been temporarily filled in. The contractor will be contacted again about filling in the holes. Boston Borough Council report that there are no by-laws in place and the Public Space Protection Orders are currently being reviewed. The Borough Councillors will look into the matter of having no by-laws.

Plans received

Comments are to be sent regarding the following planning application:

B/23/0198 - Outer Dowsing Offshore Wind - Statutory Pre-Application and Scoping Consultation to Boston Borough Council under Section 42 of the Planning Act 2008 and the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017 prior to the submission of an application for Phase 2 of the Outer Dowsing Offshore Wind proposals to include both offshore and onshore infrastructure for a generating station and up to 93 wind turbines at Outer Dowsing Offshore/Onshore, Lincolnshire Coast Line

Although no route has been decided, due to costs, it is thought that there will be 7 – 8 vehicles per hour carrying stone to the site whilst work is being carried out. Therefore a one-way system for the vehicles should be considered; something in place to remove any mud on the roads left by the vehicles and repairs of any damaged road caused by the heavy vehicles must be considered. One person in a position for community liaison for ease of contact with Outer Dowsing whilst work is being carried out.

B/23/0202 – Wrangle Box Property Limited - Erection of warehouse (Use Class B8), construction of surface water lagoon and associated parking and turning at Wrangle Box Property Limited, Brenton Villa, Wrangle Bank - **SUPPORT**

Highways

**Report highways issues via the:
'fixmystreet' app from your mobile phone**

Photos of the defects can be taken and sent with the report

Please include the road name and village in the report

Community Speed Watch

This will be discussed at the September meeting due to the magazine only going out last week asking for volunteers.

VOLUNTEERS REQUIRED

TO BE PART OF A

COMMUNITY SPEED WATCH GROUP

This is to set up a group of residents that are willing to be trained in the use of equipment (supplied by the Parish Council) that will show the speed of traffic using the highway.

Details of the speeding car will be passed onto the Lincolnshire Road Safety Partnership who then deal with the matter at various stages, if continuously recorded as speeding.

The group will need a co-ordinator who will be responsible for the data collection, recording and sending to the relevant authority for action. If you are interested in being part of this group please email your interest to the Clerk to Wrangle at wranglepc@aol.com
