Items for the parish news need to be sent to [wranglepc@aol.com](mailto:wranglepc@aol.com) by the 14th of the previous month

In the last edition I said I hoped this February's rainfall would mirror last year's 9mm. It couldn't be more disappointing, I have already recorded 57mm and it is only 11<sup>th</sup>, with more forecast! Standing water everywhere is the result of continuous rains destroying the soil structure and preventing normal percolation down to the land drains.

This evening, 12<sup>th</sup> February, I admired a clear sky with bright stars and a lovely crescent, waxing moon, which would soon be gone to bed.

Following the loss of many acres of winter sown cereals, re-drilling has begun only to be subjected to saturation once again. The result now is a serious shortage of spring cereal seed, compounding the problems facing our farmers.

One job we can get on with is hedge maintenance, and we have already begun the task of plashing (laying) 515m meters of mixed hedge. This we planted about 20 years ago and it is now quite big and strong. Indeed, some of the field maple is already 8-10 inches diameter at the base. We planted the hedge to protect an 'old Lincolnshire apple orchard' having bought the trees from Brogdale's orchard in Kent.

I have noticed that some of these trees have had their trunks 'grazed' by roe deer and muntjacs, which I do like to see around the farm but, like the badgers, I fear there will soon be too many of, neither having any natural predators.

After the warmest January the hawthorns are moving early with small, green buds already evident.

Roll on some good, dry weather.

## **COMMUNITY HUB IN WRANGLE PARISH HALL?**

Would anyone be interested in volunteering in the running and setting up of a "Warm Hub" in Wrangle along the lines of the Old Leake Community Hub?

If anyone is interested in volunteering/running and setting up a "Toolshed" centre for men/ladies please contact:

[john.baxter@boston.gov.uk](mailto:john.baxter@boston.gov.uk)

This is only an idea at the present time as volunteers are required in the first instance

## **Rosamund Featherstone**

Ros lived all her life at Wrangle Common, being a very busy person in the community. She attended schools locally, worked locally and delivered newspapers, latter with the Parish Magazine, for many years. The newspapers were delivered to Eastville, Midville, New Leake and Friskney as well as at Wrangle Common. Ros and her family ran the Post Office at Broadgate and many people have the same memory of going to the Post Office to get the penny sweets.

In the Community Ros, as part of the Millenium Committee, did sponsored walks over the Humber Bridge and around the Recreation Field (Grandchild with Grandparent walk) to help raise funds for mugs for the children in the village and for the flagpole on the church. Ros was one of the bell ringers, ringing both the Church bells and hand bells. She helped with refreshments at Wrangle Show and helped at the Luncheon Club.

Ros was a member of Wrangle Parish Council, attending her last meeting in December, and represented the Parish Council on the Wrangle Consolidated Charities as a Trustee.

This very busy lady will be missed by her family and friends and those who just passed the time of day with her.

## **THE BIGGER PICTURE**

A tiny bulb appears, insistent on growth;  
Pushes new shoots from the shade  
It needs to see 'the bigger picture';  
Be part of the 'Spring parage'...

Winter woes now weaken their grip,  
'though uncertain time still remain.  
Personal hurt and heart-ache are eased.  
Spring brings hope once again.

A 'sense of green emerges  
along branches, once stark and bare.  
You look again to make certain,  
feel reassured; Spring's definitely there!

March promises new beginnings;  
happier time for everyone.  
It's time to look ahead.  
The cold, bleak days are gone.

# **Community Emergency Planning and Ready for Anything Emergency Volunteer Scheme**

The Wrangle Parish Council are in the process of writing a revised Parish emergency plan in partnership with the Lincolnshire County Council and the Lincolnshire Resilience Forum (LRF).

An emergency/major incident is any event or circumstance (happening with or without warning) that causes or threatens death or injury, disruption to the community, or damage to property or to the environment and the response needed is such that it is beyond the normal service provision of the council and/or emergency services.

There is no statutory responsibility for communities to plan for, respond to, or recover from emergencies, however it is sensible to be prepared in order to be in a position to cope with any emergency (under the direction of the emergency services) to limit the impact and aid recovery.

The emergency plan will be a living document and will include a structured framework for use by the community in the event of an emergency situation. This may include the provision of warning and informing, evacuation support and the setting up and managing (temporarily) places of safety.

Members of the community can assist by notifying us of any skills they might have which they are prepared to volunteer in the event of an emergency and any equipment within the community which could be utilised to assist with the response.

For example, medically qualified, retired or existing emergency service workers, carers, veterinary, builder, carpenter, etc.

Equipment and resources such as tractors, heavy lifting gear, cutting equipment, pumps, ropes, ladders, mini buses / taxis, accommodation etc.

The plan will include vulnerable people / groups / establishments in the community to be in a position to assist these people quickly and efficiently.

## **Local people can volunteer to assist with the Lincolnshire Resilience Forum**

The Lincolnshire Resilience Forum register and train volunteers in the 'Ready For Anything Volunteer Scheme'.

Volunteers can register to be called to assist in any emergency in Lincolnshire or just within the Old Leake and surrounding area.

Details of this scheme are available at [www.lincolnshireresilienceforum.org](http://www.lincolnshireresilienceforum.org)

If anyone is able to assist and would like to volunteer to be included within the plan please contact the Parish Clerk:
