Items for the parish news need to be sent to [wranglepc@aol.com](mailto:wranglepc@aol.com) by the 14th of the previous month

Here we are, mid-March already, and still a lot of drilling to do though seed is in very short supply. As one travels around there are numerous fields with standing water or bare patches where the crop has failed. Harvest will be well below average and straw will be in short supply.

Some are beginning to plant vegetables in less than ideal conditions. Favourable weather required now or they will struggle.

Despite all the wet, daffodils have done well and, I expect the coltsfoot will be in flower. Locally known as clay leaf their flowers, similar to the dandelion, appear before the leaves and are usually very early.

I am seeing more small birds about now. I have a few house sparrows back, mostly males but still no tree sparrows. Blue tits are investigating the nest boxes and great tits, and occasionally long tailed tits, are at the feeders with robins and dunnocks picking up what they drop. I watched a blackbird and a song thrush busily pulling ivy berries off and scoffing them. Jays are very noisy in the old wood.

Our plashing is progressing slowly, the hedge being tall and strong (see cover picture). I am seeing more brown hares again, a lovely sight, and they shouldn't be persecuted if they eat a few vegetable plants, there are plenty for all.

*George Danby*

# St Mary & St Nicholas Church

**All services start at 11.00am**

Sunday 14 April	Morning Prayer
Sunday 21 April	Morning Prayer
Sunday 28 April	Morning Worship

## From the Parish Register

### Deaths

01 March Hilda Charlotte Berry, aged 100yrs  
(Memorial service in Church followed by Cremation)

### Burial of Ashes

01 March Christine Tuplin, aged 70yrs died 21st January

**St Mary and St Nicholas Church  
will be holding coffee mornings on  
Saturday 06 April and 04 May

**To Dust or Not to Dust ...?**

It used to be a ritual  
around this time of year.  
Spring-cleaning always reared its head,  
approached with glee – or fear!

Some people entered into it  
with a vigour that seemed quite mad!  
Others 'ploughed on' with gritted teeth,  
until it didn't look too bad ...

Times have changed, or have they?  
April showers and sunshine are here.  
Suddenly you notice deep layers of dust!  
How did that suddenly appear?

To dust or completely blitz each room?  
A decision must be made!  
It's April and nature is calling...  
You happily leave. Decision delayed!

**LINCS & NOTTS**  
**AIR AMBULANCE**  
**SAVING LIVES EVERYDAY**

## **Knitting up a storm for Lincs & Notts Air Ambulance**

As part of the 30th Anniversary celebrations due to start later in the year, Lincs & Notts Air Ambulance (LNAA) are calling all nifty knitters to join together to create the largest yarn bomb ever seen!

The charity's aim is to cover the whole of Lincolnshire and Nottinghamshire with hundreds of yellow helicopters and spread the message about their life-saving work. To do this we need knitters and crocheters to help create this mammoth masterpiece.

There are three ways people can take part:

1. Individual knitters can create a single mini helicopter and display it in a local shop, pub, church, or other community space.
2. More adventurous knitters are being asked to let your imagination soar and design a unique, eye-catching postbox topper, just make sure it includes a yellow knitted helicopter!
3. The ultimate challenge is to yarn bomb your community and join forces with fellow knitters to create a cornucopia of colour.

LNAA's Volunteer Manager, Kate Kerrigan said: "This is a fabulous way to support the life-saving work of Lincs & Notts Air Ambulance from the comfort of your own home. With your help, we are looking to colour the counties of Lincolnshire and Nottinghamshire yellow with thousands of miniature helicopters.

It is so easy to get involved. Just grab your knitting needles and some yellow yarn and register your interest with Lincs & Notts Air Ambulance at:

**[ambucopter.org.uk/knitting](http://ambucopter.org.uk/knitting)**

We will then send you your knitting pattern which designer Amanda Berry has kindly allowed us use as well as lots of information to help you get involved.

## **ABOUT Lincs & Notts Air Ambulance**

It is thanks to the generosity and goodwill of supporters throughout the area that the crew of Lincs & Notts Air Ambulance can provide such a critical care.

The highly skilled doctors, paramedics and pilots help people across Lincolnshire and Nottinghamshire, involved in life-threatening incidents every single day.

LNAA is one of the UK's leading Helicopter Emergency Service (HEMS) charities, bringing the equivalent of a hospital emergency department to patients at the scene, giving those with the most severe injuries and medical conditions the very best chance of survival when minutes matter.

In 2023, LNAA was tasked to **1,771 incidents**, over **151 more than in 2022**.

- **£10 million:** The current cost of funding to keep the service operational each year.
- **169:** Thanks to tremendous public support, we fly an AgustaWestland 169 helicopter – a top of the range Helicopter Emergency Medical Service (HEMS) aircraft offering head to toe access to patients in flight. Our crew also carry blood on board, allowing them to deliver potentially life-saving blood transfusions at the scene.
- **25,755:** The number of missions Lincs & Notts Air Ambulance has flown since the service began operating in 1994.
- **£4,000:** The average cost of each mission.
- **24/7:** We provide a 24-hour service, 7 days a week, 365 days of the year, enabling our clinical crew to give more people than ever the very best chance of survival. This level of care ensures that we are at the forefront of Helicopter Emergency Medical Services in the UK.
- **3,500:** The number of square miles the service covers across Lincolnshire and Nottinghamshire.
- **2,500,000:** The number of people Lincs & Notts Air Ambulance has provided medical support to across Lincolnshire and Nottinghamshire
- **216mph:** The aircraft can reach a top speed of 216mph and has a cruising speed of 180mph
- **20:** The number of minutes it takes the air ambulance to reach the furthest point in the catchment area of Lincolnshire and Nottinghamshire.
- **Four:** The average number of missions the crew are tasked per day.

## EARLY MEMORIES

We'd be up in good time fer bre-akfast,  
Code baacon, fried taates and flag sauce,  
From that great big square bottle, o' course.

Dad would git his boots on,  
Tied up wi a long leather laace.  
And as well as that he hed splats,  
Wi buckles at keeap em in plaace.

All round the room, hung up on the walls,  
Were flicks of baacon, long and tall.  
Theya were hams as well, an bye theya were good,  
Note noa better than hoame cured grub!

Eaach year, in Maya, we'd hev the stuffed chine,  
A special treaat, a favourite of mine.  
Mam stuffed it wi parsley, some in eaach side,  
Then wrapped in a cloth, an wi string it was tied.

It was far over big ta cook in a pot,  
Soa outside in the copper becaame its lot.  
Mam lit the fire wi a sifta of hot coaals,  
And soon the watter was on the boil.

The chine, held down wi a two ston weighat,  
Was boiled fer some hours, an the smell it was great.  
When dad sliced it off, he fowded it up  
Ta fit on our plaates, an din't it look good.

Monday was wesh daya,  
Soft watter from the cestern,  
Copper on the boil,  
Dolly tub and mangle  
Weshing on the line, weshed, dried an ironed  
An all bi lunch time!

If flies were a nuisance, out would come the flit,  
Shut all the doors an windas, then giv em some on it.  
We all stopped outside, till the flit hed done its job,  
It dint take any prisners, it seeamed at git the lot.

# **Community Emergency Planning and Ready for Anything Emergency Volunteer Scheme**

The Wrangle Parish Council are in the process of writing a revised Parish emergency plan in partnership with the Lincolnshire County Council and the Lincolnshire Resilience Forum (LRF).

An emergency/major incident is any event or circumstance (happening with or without warning) that causes or threatens death or injury, disruption to the community, or damage to property or to the environment and the response needed is such that it is beyond the normal service provision of the council and/or emergency services.

There is no statutory responsibility for communities to plan for, respond to, or recover from emergencies, however it is sensible to be prepared in order to be in a position to cope with any emergency (under the direction of the emergency services) to limit the impact and aid recovery.

The emergency plan will be a living document and will include a structured framework for use by the community in the event of an emergency situation. This may include the provision of warning and informing, evacuation support and the setting up and managing (temporarily) places of safety.

Members of the community can assist by notifying us of any skills they might have which they are prepared to volunteer in the event of an emergency and any equipment within the community which could be utilised to assist with the response.

For example, medically qualified, retired or existing emergency service workers, carers , veterinary, builder, carpenter, etc.

Equipment and resources such as tractors, heavy lifting gear, cutting equipment, pumps, ropes, ladders, mini buses / taxis, accommodation etc.

The plan will include vulnerable people / groups / establishments in the community to be in a position to assist these people quickly and efficiently.

## **Local people can volunteer to assist with the Lincolnshire Resilience Forum**

The Lincolnshire Resilience Forum register and train volunteers in the 'Ready For Anything Volunteer Scheme'.

Volunteers can register to be called to assist in any emergency in Lincolnshire or just within the Old Leake and surrounding area.

Details of this scheme are available at [www.lincolnshireresilienceforum.org](http://www.lincolnshireresilienceforum.org)

If anyone is able to assist and would like to volunteer to be included within the plan please contact the Parish Clerk:

# Kings Coaches

of Stickney

Kings Coaches deliver an exceptional service when it comes to transporting passengers. Our main priority is to support you in building the best day out for you and your group. We take into account each individual need, whether you are travelling with children or with senior citizens, and we provide a vehicle and driver to meet all your requirements.

We can provide transport for:

## Airports/Sea Ports

Transfers are made easy with our door to door service, taking the stress and worry out of your journey. Sit back and relax whilst we transport you to the airport terminal of your choice.

## Day Trips

Whether it's a group, a club or a family gathering, Kings Coaches will take you to your chosen destination in style. For: shopping excursions, mystery tours, theatre trips, horse racing etc  
*Additional pick-ups / drop offs can be accommodated as requested*

## Wedding Days

Your big day means a lot to your guests  
Your guests will be collected from their hotel, transferred to the service to the reception then back to their hotel at the end of the evening.

## Evening Hires

Parties of any kind, nobody has to miss out and everybody can enjoy the evening safely!

***We have 4, 8, 16, 19, 33 seat vehicles some with wheelchair access***

**Please ring Tracy or Eric on 01205 480241 for a quote**

# **WRANGLE PARISH COUNCIL MEETING NOTES**

There were twelve members of the public present, they came along to ask about the plans received between meetings and responses from the Council; mud on the footway in the area of The Minstrels and the Remembrance Sunday service will be at Wrangle this year. The grates over the storm drains are not fitted well, or have come loose, and cause vibration in properties – County Cllr Skinner will deal with this matter.

## **Notes of the Parish Council meeting held on 05 March 2024 attended by:**

Cllrs Edwards, Bowles, Hill, Wrisdale, Dickason, Seymour, and Ashton (Chairman)

**Apologies:** received from Cllr Pickett

**Also present:** Borough Cllr Baxter, County Cllr Skinner and twelve members of the public

## **Declarations of Interest**

There were no declarations of interest.

## **Approve minutes of the meetings held on 07 February 2024**

The notes of the Parish Council meeting, previously circulated, were approved and signed as the minutes

## **Receive reports from representatives on outside bodies**

### **Borough Cllr Baxter reported:**

There have been more flooding issues, always report on Fix my Street. There have been a lot of meetings at the Borough about Council Tax, pylons and reports received via Fix my Street. A street light was removed from Chapel Lane in 2016. Volunteers are required to arrange and run events in Wrangle. Cllr Butler has cleared the footway from Sea Lane, Old Leake to Wrangle. Nominations are open for open for Boston Heroes.

### **County Cllr Skinner reported:**

LCC will be lifting and clearing every storm drain between Wrangle and Leverton, this is in conjunction with Cllr Butler and the Borough Council. 'Nearly flooding' issues also need to be reported on Fix my Street too. 800 properties across Lincolnshire have been flooded with an further 650 nearly flooded. The LCC budget has put more into flooding as four suction vehicles have been purchased with four extra exploratory teams employed. Last year 110,000 pot holes were filled, 224 miles of roadway and 77 miles of footway were cleaned and 192,235 drains were repaired. An extra £25m will be received from the Government for Highways next year.

## **Community Speed Watch**

Old Leake Parish Council is prepared to work with Wrangle on this scheme and an extra two volunteers have already come forward. Hopefully there will be more volunteers by the end of March.

**It is not too late to register your interest with Wrangle Parish Council at [wranglepc@aol.com](mailto:wranglepc@aol.com)**

## **To Discuss the Emergency Parish Plan**

This is a work in progress, information has just been put out via the Parish Magazine. When it is known where required equipment is sited throughout the area then the Emergency Parish Plan will be almost complete.

**Cont ....**

### Recreation Field

The recreation field is very wet at this time. The ditch is full of rubbish, this will be cleaned when the ground has dried out. There is a large branch in the play area, this will be removed and checked if it has been taken in or if it has fallen in.

**Glass can be mixed in the glass banks when the required one is full.**

**Fly-tipping should be reported to the Borough Council on  
01205 314200**

**Dog fouling is ALWAYS an issue  
the recreation field is for the use of everyone  
PLEASE - ALWAYS PICK UP AFTER YOUR DOG**

### Plans received

B/24/00056 - Mrs K Benton - Application for a Change of Use to a Cattery including associated buildings and infrastructure at Casuda Cottage, Wrangle Bank – **OBSERVATIONS MADE**

*The proposed white uPVC walls are not in-keeping with the area. There will be some additional 'waste' from the proposed cattery – cat faeces and food packaging. The floodlights will affect neighbouring properties – a low height and good covering will be needed to prevent this being a nuisance. A licence will be required for a cattery.*

### Planning decisions

There were no planning decisions

### Highways

There is a large branch over the War Memorial, which needs to be removed. A good job has been done cleaning the footway from Sea Lane, Old Leake to Wrangle, ask if the footways in the centre of the village can be cleaned.

**PLEASE MAKE SURE, IF YOU HAVE TREES OR HEDGES AT A ROAD SIDE, THAT THEY ARE WELL CUT BACK TO ENABLE VISABILITY AND KEEP THE ROAD AS WIDE AS IT SHOULD BE SO VEHICLES CAN SAFELY PASS EACH OTHER.**

**Report highways issues via the:  
'fixmystreet' app from your mobile phone**

**Photos of the defects can be taken and sent with the report**

**Please include the road name and village in the report**

### Village bus shelters

LCC have been contacted for permission to site bus shelters in this area, nothing has been received back other than acknowledgement of receipt of the email. the 'green' off the bus shelter. A post is damaged and needs to be spliced for repairs. A local company will be asked for a quote to do this work

**Cont ....**

**Possible sites for EV charges and discuss any possible infrastructure to improve local travel**

The Parish Hall and the pavilion at the recreation field will be suggested as possible sites for EV chargers. Re-instating the rural bus service for Wrangle Common and the Sunday Service for Wrangle will be put to LCC for improving the local travel infrastructure.

**Wrangle Maps**

Maps of Wrangle are available to purchase at a cost of £5.00 each. If you would like a Wrangle map, please contact the Parish Council Clerk by email or by phone. The maps are also available at the Church.

**Date and time of next meeting**

The next Parish Council meeting will be held in the Parish Hall on 02 April 2024 at 7.30pm with a public forum from 7.15pm.

---

**WRANGLE PARISH COUNCIL**

REQUIRE **ONE**

***PARISH COUNCILLOR***

**There is currently one vacancy on the Parish Council and the position is to be filled by co-option.**
