It's so good to be back on home ground, and slowly returning to a more normal routine. The unsettled weather finally relented and allowed most farms to get the harvest in reasonable condition. Yields were, of course, often lower as was expected following a difficult sowing season.

There's a shortage of small birds, the exception being some good flocks of gold finches. We also have several tree sparrows at the Sailor's Home. Butterflies have been in short supply this time with fewer of the coloured ones, though we have plenty of large whites producing caterpillars for the brassicas. One welcome species that has made an appearance this year is the attractive clouded yellow. Their food plant is white clover and that is plentiful in the grass fields. These only get here when conditions are favourable for them to cross the Cannel. They are quite large and a beautiful lemon colour, not as rich as the brimstone we see earlier in the year.

We have plenty of dragonflies, of all colours and sizes. On Wednesday morning (11/9) we had a cold north-west wind but, as I checked the young cattle in the church grass field which has excellent shade, it was a real pleasure to stand and watch as 20 – 30 swallows and house martins swooped back and forth beside the trees, feeding up on the flies that were attracted by the warmth and shelter. There were also two juvenile yellow wagtails darting about catching insects in the short grass. Their underparts were only slightly yellow and not the vivid colour they will be in the spring.

What could be better than witnessing nature at its best in Wrangle?

Over the weekend of 07 and 08 September our Church of St Mary & St Nicholas opened it's doors as part of the Heritage Open Days.

The PCC would like to thank all who exhibited and helped over the weekend and most of all those who came along to support it. Overall we had a very positive feedback.

### Bonfire Guide

In order to avoid problems and possible legal action, it is recommended that you follow the checklist below:-

- Only burn dry material.
- Never burn household rubbish, rubber tyres, or anything containing plastic, foam or paint.
- Never use old engine oil, methylated spirits or petrol to light a bonfire or to 'encourage it'.
- Avoid lighting a fire in unsuitable weather conditions - smoke hangs in the air on damp, still days and in the evening.
- Avoid burning if the wind will take any smoke into neighbours gardens/houses and across roads
- Avoid burning at weekends and on bank holidays when people want to enjoy their gardens.
- Never leave a fire unattended or leave it to smoulder.

Bonfires can be dangerous. Fire can spread to fences or buildings and scorch trees and plants.

Exploding bottles and cans are a hazard when rubbish is burned.

The Fire and Rescue Service will deal with bonfires if there is a risk to the safety of people or buildings.

## Choice

Mirrors of tears  
and valleys of woe,  
or sunshine smiles  
to help our souls grow ?

Changing times and atmosphere.  
Changing years; what's happening here?  
Friendly faces or ghostly glances?  
Laughing eyes or lonely dances?

Simple sights and silent sighs,  
a cheerful voice or mournful cries?  
Honest truth or still more lies?  
Angelic beings embrace the wise...

The grimness of gravity loses its grip.  
Life's many choices aren't always clear,  
but serendipitous moments bring joy!  
A new direction will soon appear...

# UPGRADE YOUR HEATING AND REDUCE YOUR CARBON FOOTPRINT

South and East Lincolnshire Councils Partnership have secured Homes Upgrade Grant funding (HUG 2) from the Department for Energy Security and Net Zero (DESNZ) to assist homeowners and landlords in making improvements to the energy efficiency of their properties while reducing utility costs.

HUG 2 will focus only on off gas properties however there may be other funding available for those who do not meet the criteria so please get in touch if you are unsure. To be eligible for the grant, your property must have an Energy Performance Rating of D, E, F or G and a total household income of less than £36k of which Personal Independence Payment (PIP), Disability Living Allowance (DLA) and Attendance Allowance (AA) will be deducted if you are in receipt of these.

The Home Energy Advice and Retrofit Team would be delighted to hear from homeowners and landlords that would like to take advantage of a grant which is available to improve the energy efficiency of your home and move to low carbon heating upgrades. The grants available will be between £8,000 and £38,000 per home depending on the properties wall type, Energy Performance Certificate (EPC) rating and current fuel type.

The scheme will target low carbon heating such as air source heat pumps as well as energy efficiency measures which will help boost your EPC rating. Grant funding is limited so please don't delay contacting us.

If you have any queries regarding the grant, please feel free to contact the Home Energy Advice and Retrofit Team at [greenhomesgrants@e-lindsey.gov.uk](mailto:greenhomesgrants@e-lindsey.gov.uk), or by phone on 01507 613573.

## **Community events in Boston for 2024**

Boston Borough Council's events team and local organisers have an exciting line-up of community events planned for Boston Town Centre for 2024. Funded mainly through the Boston Town Area Committee (BTAC), these events celebrate the history, heritage, culture, and diversity of our town, while also driving footfall into the town centre and promoting healthy activities within the community.

Dates for your diary - here's a glimpse of what's in store for 2024:

- 25 October: Haunted Boston
- 29 November: Boston Christmas Festival starts
- 01 December: Boston Christmas Festival finishes

It is hoped families will enjoy these events which have been lined up for the whole community.

## MY ODE CAP

I'd be lost wi-out me ode flat cap,  
Me-ans ommust as much as me dog.  
I weer it all daya wen I'm out on the farm,  
An euse it fer soa many jobs.

On a damp, code morning wi Jock  
in the truck,  
The windas all fogged up wi ste-am.  
Off comes me ode cap and a quick  
wipe round,  
We soon git to see through the scre-an.

I hed a young spannyel I wanted to tra-in,  
Soa she hed to larn to retri-eve.  
I grabbed me ode cap and I'd skim  
it awaya,  
To goa fetch it back she was pleas-ed.

Sometimes she would ke-ap it an giv it  
a shak,  
So I hed to git owd on it quick.  
The linin was tender from years o good  
service,  
Few times I hev herd the thing rip.

When drivin me tractor an set in me cab,  
Was hoccasionally joined by a wAsp.  
Me trusty owd cap would knock the  
chap down,  
That ride on the Fergie his last.

Sink dad was the fella that ma-ade me  
this waya,  
Cos he alust wore a flat cap.  
When he went fer a swim in a cre-ak at  
the marsh,  
His towel was alust his att.

Me ivvery daya cap's wat I call number 3,  
But there's alsoa a 1 and a 2.  
Them I euse on a Sundy, er to goa to a show,  
Er mebby some other fancy do.

Now a cap can be euseful if just to be  
Se-an,  
Particly when drivin about.  
Theya tear up behind an etta slowa  
down,  
"He'll be an owd –up noa doubt."

I s'poase that a cap's now a sign of owd  
a-age,  
The young uns do-ant hev em yer knowa.  
It ke-aps yer 'eard warm an teks care  
o yer bra-ins,  
At le-ast I like to think soa.

It sometimes gits grubby, an oily as well,  
An she teks it to goa in the wesh.  
Just wen it's got cumfy an fits at it's best,  
I think number 1 looks too posh.

Noa doubt it looks cle-aner an suits  
th'other ha-uf,  
But it's alust run up just a bit.  
I've to stretch it an pull it to ma-ake it  
cum reight,  
If it's blowin a ga-ale it must fit.

Well, it's be-an a good ma-ate fer a  
number o years,  
Like Jock it's just part o me life.  
When I ne-ad it noa longer it'll hev a  
good ho-ome,  
Cos I'm le-aving the thing to me wife.

**Please ring Tracy or Eric on 01205 480241 for a quote**

## **Just a little update from your local Boston independent and Borough Council Representatives on what we have been doing**

- We have attended, and continue to engage with the Parish Council on local issues and feel we have a good working relationship with them.
- We have attended local community events and helping with fund raising, we have also donated raffle prizes to many local groups. These include Wrangle show and the local bingo night.
- We continue to ask residents to report any issue of antisocial behaviour to the police via 101. We recently met with PC Brennan who is patrolling our area. It is only through reporting issues that we have got this presence in the village.
- We continue to promote the Call Connect service.
- We continue to monitor and report Potholes.
- We have worked on several personal planning or environmental issues.
- We have reported and cleared fly tipping and took part in the Big Borough Womble. (litter pick) the next date for this is the 27<sup>th</sup> of October 2024
- We both continue to raise road safety issues in the village.
- We continue to engage with outside organisations such as LHP on issues that affect the residents of the village.
- Due to an admin error, some of the grass in Church close had been missed off LHPs checklist. This was raised to us and has now been rectified.
- Dog fouling continues to be an issue in the ward, could we please remind residents to pick up and bin their dogs waste.
- With a change of MP, we have passed on all relevant information regarding the water problems that Matt Warman was dealing with.

After its success last year, we want residents to nominate their Wrangle hero for 2024 please send either of us an email, text, (details below) or find us on Facebook to nominate your chosen hero. We ask that last year's winner is not nominated this year so that others get the chance to win.

Finally John and I will be out on 'tour' again on the 9<sup>th</sup> of November. Please come and meet us outside Wrangle Youth Club, Wrangle Bank between 2:00 and 2:30pm then outside Wrangle Parish Hall between 2:45 and 3:15pm if anyone has any issues to discuss with us.

# Wrangle Show

We are in need of some more committee members and helpers to organise the 2025 show which is scheduled for 6<sup>th</sup> July.

The committee meet on the second Tuesday of the month at The Bricklayers Arms. Some of the roles can be done without attending the meetings, volunteers are always welcome setting up the show and packing away after.

The main role we need to fill is that of the Show Secretary, tasks for this role include booking attractions and service providers, communicating with local businesses and schools, taking the minutes at committee meetings and ensuring the smooth running of the show.

If you are interested in getting involved with our village show please either come along to our next meeting on Tuesday 8<sup>th</sup> October at 8pm, message us through our Facebook page or email us: [info@wrangleshow.co.uk](mailto:info@wrangleshow.co.uk)

We look forward to welcoming anyone who is willing to help make the village show a success in 2025.

# **WRANGLE PARISH COUNCIL MEETING NOTES**

There were two members of the public present, they came along to report the poor water pressure in the village (County Cllr Skinner will look into this issue), enquire about the letter sent to 5G (asking if they still want a site in Wrangle and can the Parish Council suggest a site) and to ask about a development off Tooley Lane (now not the same as first impressions given).

## **Notes of the Parish Council meeting held on 03 September 2024 attended by:**

Cllrs Edwards, Bowles, Dickason, Wrisdale, Hill, Law, Seymour, and Ashton (Chairman)

**Apologies:** received from Cllr Pickett, and Borough Cllr Baxter

**Also present:** Borough Cllr Butler, County Cllr Skinner and two members of the public

## **Declarations of Interest**

There were no declarations of interest.

## **Approve minutes of the meetings held on 02 July 2024**

The notes of the Parish Council meeting, previously circulated, were approved and signed as the minutes

## **Receive reports from representatives on outside bodies**

### **Borough Cllr Butler reported:**

A report has been sent to the Clerk for circulation to all Councillors, this includes the grass cutting at the Chapel. Following discussion it was resolved that questions would be asked about the maintenance of the grass and the Parish Council would look at the situation once further information has been received. Issues brought to the attention of the Borough Councillors have been passed to the relevant authority to action. The next Wyberton Womble Big Borough Clean Up will be on Sunday 27 October.

### **County Cllr Skinner reported:**

LCC will be submitting a planning application for a new fire station at Leverton. There will be a consultation on 25 September. The manhole covers on the A52 are on a program to be levelled. A traffic management plan has been approved for the area around the Giles Academy. There have been two repair visits to Wrangle.

## **Community Speed Watch**

Cllr Dickason has had problems getting the volunteers to commit to a date for training. It was suggested that this be put back until the Spring when hopefully more volunteers will come forward. An Archer report from Staying Alive Lincolnshire has been received and circulated to all Councillors. The results show that data received does not meet criteria for further speed camera enforcement.

## **Siting Dog/Litter Bins at Tooley Lane and Main Road bus stop opposite Tooley Lane**

Litter/dog bins should be placed at the Chapel and by the bus shelter opposite Tooley Lane, these will be ordered from the Borough Council at a cost of £705.00 + VAT

## **Siting two bus shelters on the A52 in the area of the Sea Lane junction**

The land owner will be asked about the base for one of the shelters. The licence to site the bus shelters has been received from LCC. Grants will be sought for the bus shelters. Details of one grant has been received.

### **War Memorial works to be carried out**

The War Memorial will be cleaned at the end of September.

### **Recreation field**

A list of repairs to be carried out has been made from the annual inspection report, these will be arranged in due course. A cleaning up day will be organised after the repairs have been carried out – volunteers can help out on the day when it is arranged. An offer to have two inspections per year for five years has been approved by the Parish Council. Moles are still an issue, a contractor has cleared the recreation field for the grass cutting to continue. The door on the notice board has been smashed, it was resolved to get a quote for polycarbonate to be placed in the door instead of toughened glass. The goal posts have been damaged and are currently being repaired. A picnic table has been removed from the play area and damaged, this is currently being repaired and will be re-sited in the play area. A 'no parking' sign will be purchased for the gates at the rear of the pavilion.

## **ALL ACTS OF VANDALISM ARE NOW BEING REPORTED TO THE POLICE ON 101**

If anyone notices anything amiss, or witnesses anyone causing any damage to any area of the recreation field please call 101 and report it. It is a shame when a few young mindless people spoil the area for everyone else.

**Glass can be mixed in the glass banks when the required one is full.**

**Fly-tipping should be reported to the Borough Council on  
01205 314200**

**Dog fouling is ALWAYS an issue  
the recreation field is for the use of everyone  
PLEASE - ALWAYS PICK UP AFTER YOUR DOG**

### **Highways:**

Cllr Skinner will look into the spraying of weeds on the footway. The Borough Council have reported that the 'Mel Marshall Way' nameplate currently meets the required specifications and will not be lowered.

**Report highways issues via the:  
'fixmystreet' app from your mobile phone  
Photos of the defects can be taken and sent with the report  
Please include the road name and village in the report**

### **Plans received in August**

**B/24/0283** - Mr Marston - Proposed extension to form sun lounge on existing holiday cottage at Holly Cottage, Mill Farm Leisure, Wrangle Bank – **NO COMMENTS**

**B/23/0153** - H H Adkins (Contractors) Ltd - Change of use from haulage and storage depot to housing development of 24 residential dwellings, estate roads and services in accordance with amended plans and supporting documents (received by the Local Planning Authority on 31 July 2024) at G H Kimes Haulage Depot, Main Road (Amendment) - **OBJECTIONS**

Cont ....

*24 properties are too many for this site, properties more spread out to be in keeping with Mel Marshall Way. There are existing issues in this area with water pressure and the sewerage system. The properties should not be built at a higher level than the existing properties at Main Road to prevent flooding to the existing properties. All vehicles must park off road to allow access for refuse and utility vehicles. The access to a garage belonging to a property at Main Road should be maintained.*

**B/24/0316** - EIA Soping Notification and Consultation from the Planning Inspectorate for the project EN020036 for an Order granting Development Consent for the proposed Grimsby to Walpole Project (the proposed Development) at Grimsby to Walpole - **OBJECTIONS**

*Wrangle Parish Council are opposed to the pylons coming through Lincolnshire and affecting neighbouring parishes. Pylons will be placed on farm land which is needed for food production of all kinds. Will those living near a pylon have any adverse health effects? Wrangle could be impacted with the movement of traffic working on this proposed project.*

### **Planning applications received for September**

**B/24/0352** - Mr Matthews - Proposed two storey extension to existing dwelling, proposed detached outdoor pool and enclosure and detached garage at The Old Police House, Main Road – **NO OBJECTIONS**

### **Planning decisions**

**B/23/0318** - Staples Bros - Proposed addition of 19 agricultural workers caravans to existing caravan site at Marsh Farm, Sea Lane - **GRANT**

**B/23/0069** - Staples Bros - Proposed extension to anaerobic plant for biomethane production at Marsh Farm, Sea Lane - **GRANT**

**B/23/0156** - Mr Pitcher - Proposed single-storey rear extension, front porch and infill extension at Sigtoft Farm, Main Road - **GRANT**

**B/23/0202** - Wrangle Box Property Limited - Erection of warehouse (use class B8), construction of surface water lagoon and associated parking and turning at Wrangle Box Property Limited, Wrangle Common - **GRANT**

**B/23/0213** - JEG Farms Limited - Application for Prior Approval under Schedule 2, Part 3, Class Q of the General Permitted Development (England) (Order) 2015 for the change of use of an agricultural building to 4 dwelling houses including associated works necessary for the conversion at Common Farm, Wrangle Bank - **GRANT**

**B/23/0287** - Mr Appleton - Change of use from grazing land to facilitate an equestrian use. Erection of a 40 x 20m all-weather menage with drainage to the dyke at rear of property. Menage to be enclosed by post and rail fencing at a height of 1.4m. Erection of post and rail fencing to create 2 separate paddocks at rear of the land at a height of 1.4m for sole use only at Maple Lodge, Wrangle Bank - **GRANT**

**B/24/0247** - Ben Burgess - Advertisement consent for proposed single sided fascia sign (Holdings) Limited with part illumination at Burdens Tractors, Main Road - **GRANT**

**B/23/0164** - Mr Pates - Erection of 2 detached dwellings including 1 two storey dwelling and 1 detached bungalow at Fieldfare, Nut Lane - **REFUSE**

**B/24/0345** - Anglian Water - Notification of Permitted Development under the Town and Country Planning (Permitted Development) (England) Order 2015 – part 16, communications – proposed telemetry kiosk at Land off Sea Lane, Marsh Farm - **Planning Permission is not required**

### **Boston Borough Council Street Lighting**

The Borough Council will not get a second quotation for the street lighting, it was resolved to leave this matter until the budget is discussed in November.

### **Update regarding request for a zebra crossing at Main Road**

A letter has been received from LCC stating that the footfall at Main Road does not meet the criteria for a zebra crossing: "During the period 8am – 6pm (22.07.24) only 36 pedestrians crossed the road at this point, of which 10 were children and the resultant score was 0.09. Given that a score of 0.5 will be required for a pedestrian refuge, and higher for a Zebra or Puffin facility, I regret that the criteria for a crossing facility are not met at this location at this time and I will therefore have to refuse this request. I am sorry that I cannot be of further assistance in this matter."

### **Emergency Parish Plan**

Cllrs Dickason and Law have done all they can on the Emergency Parish Plan, more input is required from others with local knowledge. An evening with a talk from the team in Lincoln will be considered. Other Emergency Plans in the village will be sought.

### **Wrangle Maps**

Maps of Wrangle are available to purchase at a cost of £5.00 each. If you would like a Wrangle map, please contact the Parish Council Clerk by email or by phone. The maps are also available at the Church.

### **Date and time of next meeting**

The next Parish Council meetings will be held at 7.30pm in the Parish Hall on 01 October 2024 with a Public forum from 7.15pm
