Well, that's another year gone and, many will say, good riddance! We're all hoping for some sustained dry weather now. I've not heard anyone say they have known a 'back end' as wet as that. Many veg. fields are in a terrible, rutted state and it will take some time for them to recover. Hardly any winter wheat has been sown and a lot of land remains unploughed.

We brought the cattle in early, because of the wet, and the straw bedding is of poor quality owing to the catchy harvest. It doesn't last very long and stocks are already running down.

The wildfowl, on the other hand, seem quite happy with the conditions. Mallard, teal, wigeon and gadwalls accompanied by grey lag and Canada geese regularly use our wetlands. Herons, little egrets, curlew and snipe, with the occasional woodcock, are also attracted by the ideal habitat.

A few woodpigeons have already started their familiar 'summer' calling which we all recognise. Our tractor driver, Mark, thinks they are saying "my feet hurt Peter" but I am not convinced.

We've all seen how the seasons are changing and weather extremes are becoming the norm. Perhaps all the rain is just another example but we shall, no doubt, get over it. It is still far better than the situation in Australia and we must spare a thought for those poor folk who have lost relatives, homes and animals.

George Danby

**The next Church coffee morning will
be held on Saturday 07 March
between 10.00am & 12 noon**

From the desk of your Vicar...

Sit a moment, in the quiet – turn off the radio or TV and sit in the quiet – can you hear the snap in the distance? There will be only a few left to go now ... that snap is the sound of a well-intentioned New Year's Resolution breaking! Are you still keeping to any of yours?

As you will have gathered – I do not 'do' New Year's resolutions – it is not that I do not need fresh starts, I do and I have a fresh start every day. I understand that I cannot change myself except with the help of God and I have very limited chances of changing anyone else...

So with the fuss of festivities over and many resolutions broken I want to suggest something for all of us to do. I want us each to try and be a better neighbour. We will of course fail, but I want us to try again and again and again...

If the church campaigns – for example, against modern day slavery, the response often is 'don't be political go back to talking about God' but our God is a God who demands we put him first but then love our neighbour. Our neighbour is defined as anyone we come across with needs we are able to help with. That may be a smile to someone sad, a kind word to someone lonely, a visit to someone who does not get about much anymore. But it might also be shouting about exploitation of others. If we love our neighbour his issues become our concerns. It is not political it's personal!

Each year, in November, we stand by the village war memorial and wonder if the world really has moved on since so many gave so much to secure an end to war – to build a land fit for hero's.

It would be marvellous if we could all make tiny steps to make our small bit of this world a better place, a more caring community. Try a small step today – a bit of shopping for a neighbour, a friendly chat, a cheery smile. Let's make our village a better place!

May God richly bless you!

Mary Robinson

For so many years Mary has been at the forefront of village life. She attended church regularly and was always keen to help at coffee mornings, church stalls and car boot sales. Mary has been a real worker. She loved her garden which she kept beautifully and was always busy whether indoors or out.

Despite not having the best eyesight Mary produced hundreds of splendid items of embroidery, knitting and cross-stitch as well as making enormous quantities of preserves, cakes, pies etc. which she gave to raise funds for the church. For as long as she was able Mary entered the Wrangle Show, continually winning the handicraft and senior citizens sections. She has been a real star and cannot be replaced. Thank you and God bless you Mary. *GHD*

Mary Robinson

The family of the late Mary Robinson thanks everyone who offered messages of condolence on her recent death, their presence in Church and for the generous donations of £400 which, at Mary's request, are for church funds

Vulnerable Voices

'Who are you to tell me what I need?'

*The man who asked the question was 93;
wearing striped pyjamas in a hospital bed,
unknown to you and me...*

*His words got me thinking
of how vulnerable we can be.*

*From 'Baby Boomers' to 'Bed Blockers';
labels like these and such*

'lump us all together', like rabbits in a hutch!

I didn't realise growing old

would be seen by some as a 'crime';

'stealing' hospital beds, taking up people's time.

I've always advocated being kind

but being patronized 'blows my mind'.

We're all individuals, whatever age we are.

Vulnerable voices must always be heard;

not dismissed without a caring word.

2020; time for a more compassionate world.

WRANGLE PARISH COUNCIL MEETING NOTES

Notes of the Parish Council meeting held on 03 December 2019 attended by:

Cllrs Pickett, Featherstone, Seymour, Wrisdale, Bowles, Ashton, Edwards and Danby

Apologies: Received from Cllr Wright

Declarations of interest

There were no declarations of interest.

Approve Minutes of the meeting held on 05 November 2019

Notes of the meeting, previously circulated, were approved and signed as the minutes.

To receive reports from representatives on outside bodies

The PCSO reported by email, incidents to 30 November:

1 transport hazards at Wrangle Bank; **1** traffic offence at Brick Lane; **2** incidents of fraud/forgery at Brick Lane; **2** concern for safety at Sea Lane and at Bull Drove and **1** suspicious circumstance at Church Close

Borough Councillor Pickett had nothing to report

Borough Councillor Ashton reported:

Funding of around £25m is available for the regeneration of towns. He had attended a meeting to talk about controlling river levels and various possible ways to help prevent flooding. The Borough Council cannot make any decisions at the present time due to purdah.

Councillors report

Councillors Danby and Seymour attended a meeting at the Borough Council where:

The Police & Crime Commissioner reported that there has been a lot of lead thefts across the County and the Police are working with other authorities to catch the thieves. Information from the meeting has been emailed to Councillors, the slide from the presentation are available on the Parish Council website.

The Borough Council reported that the cost for the use of brown bins will increase to £45.00 for the first bin. The purple bins, being experimented in some areas of Boston, are proving successful due to the cardboard and paper not being contaminated from other items in the recycling bin. The Borough Council employ two Environment Enforcement Officers who issue fixed penalty notices for littering (including cigarette ends), spitting, fly tipping etc. There have been 280 Fixed Penalty Notices issued between 01 September and 28 November. The costs of a by-election for a Parish Council has been questioned, a breakdown of the costs will be issued.

Highways

No itinerary was received for the highways trip around the village, the Chairman did wait at the meeting point, but no-one turned up. Grass verges in the village are now mud due to the very wet conditions. The vibration test has not been carried out at the properties at Main Road

www.lincolnshire.gov.uk/faultreporting

or use the 'fixmystreet' app via your mobile phone

This is easy to use to report highway defects, it allows photos to be taken there and then to be added to the report, but they are not necessary. All reports on this app go direct to the relevant authority.

General Maintenance

LCC has advised the Parish Council that they will refurbish the directional sign at the junction of Main Road and Common Road. The original wording is required for the wooden arms. It was agreed that there were two arms, one for Wrangle Common and one for Wrangle Village with a dome reading Holland County Council on the top. LCC have reported that the metal around the field between Edina and Church End junction is not it's property. Following discussion it was resolved to get some quotations for the fence to be straightened.
