It's that wonderful season again, when everything is fresh and green, and bursting into life. The May blossom is just coming out on the hedges, and there's bird song from the early hours. I saw my first swallow on Good Friday and heard the cuckoo on 11th May.

The ash trees are unusually late coming into leaf this time and I'm reminded of the old saying, "If the oak come out before the ash we're only in for a splash, but if the ash is out before the oak we are in for a good soak." I wonder if we'll have another hot, dry summer?

The Parish Council election didn't happen, and we are left one member short. If anyone is interested in giving it a try do get in touch with the clerk.

Writing this on the top of the newly-profiled sea bank I notice that the new grass is growing well, with a pleasing mix of white clover and other trefoils, which should make a good grazing sward.

The sky is blue, with a few fluffy clouds, but there is also that reliable, chilly east wind. The tide is coming in on the flats and the sun, sparkling on the water, silhouettes a ship that is anchored out in the Wash awaiting the tide to allow it into the dock. If you haven't visited the marsh it is well worth a trip down.

Why would anyone want to live in a city?

George Danby

**The next Church coffee morning will
be held on Saturday 01 June
between 10.00am & 12 noon**

From the desk of your Vicar...

The feast of Pentecost falls on the 9th June this year, so I look forward to seeing you at our service in celebration of the church's 'birthday', here in Wrangle it is at 11.00am and it is Morning Prayer.

I am pleased to let you know that we are going to have a fairly local Confirmation Service on the 1st December. It is to be held at Holy Trinity, Boston at 4.00pm and Bishop Nicholas will be the one doing the confirmations.

Many of us (myself included!) were baptised as children – 'confirmation' is a taking for yourself those promises that were made by parents and god-parents on your behalf. But not being baptised is not a problem as baptism can be offered at the confirmation service or during our preparation for it. It is about becoming a full member of the Church.

I am hoping to prepare both young people and adults for this service. Young people need to be in year five or above at school ... there is no upper age limit. Confirmation preparation allows us the opportunity to really explore the basics of our faith and work out our own understanding of God; we explore God, Jesus, the Holy Spirit, Church, Creeds, the bible, Christian living, Prayer and worship, including Holy Communion and so on. The idea is that participants have the space to decide if they would like to be confirmed within the Church of England, if so they go forward for confirmation.

The preparation takes place in six classes, each about an hour and a half, and, as we have plenty of time, and to make it nice and easy, I'm planning these classes to be two weeks apart. The day, times, dates, location etc. to be agreed with those who decide to take this step.

Is this for you? Do you know someone who might be interested? Please contact me on 01754 820104 or FIONACB@AOL.com to give me details... Don't delay classes start soon...

Food Glorious Food!

We all have special memories
of food we used to share;
Sunday roasts and puddings
- a chicken meal was rare!

Yogurt and muesli weren't eaten
during breakfast time.

A pot of tea, fat bacon and bread
weren't seen as a 'health risk' crime.

The village fish and chip shop,
with it's furnace burning bright,
omitted delicious aromas.

A popular treat for a Friday night!

Healthy living wasn't talked about
but healthy lives were led;
walking here and cycling there
- few snacks to turn the head!

Meal times were more regular;
the table set for breakfast, lunch and tea.
Families ate together and talked;
no balancing plates on knee!

Meat and veg' were beautifully cooked
in a homely kind of way;
no 'ping' of a micro-wave.

At least now everyone gets involved.
No-one's a 'cooking slave'!

ANNUAL PARISH MEETING

The Annual Parish Meeting was held on Tuesday 07 May 2019 in the Parish Hall. Where, after the minutes of the meeting held on 01 May 2018 were approved and signed, the Chairman of the Parish Council gave the following Annual Report to Parishioners:

“Despite all the doom and gloom felt over our national politics, life in Wrangle carries on pretty much as normal.

The sea banks improvement works continued throughout the summer and much of the job was completed in decent weather. The contractors are to return to tidy up this summer. Public access to the banks and marsh is currently restricted, and we are striving to get this put right.

It is generally felt that, in Wrangle, we do things well. This was born out again with a very successful annual show, and an excellent flower festival at the Church. Well done to all involved.

Having decided to have the Parish News professionally printed the photo copier, which was nearing the end of its life, was disposed of. Our magazine is very popular and we must thank Teddy and Pearl for setting out and editing, and also all those who help with distribution.

Our meetings have been fairly well attended, with emailed police reports usually available. The interactive speed sign yields a constant percentage of compliant drivers, but there is always a significant number speeding, including one vehicle passing through our village at 100 miles per hour.

We have again helped village organisations with S137 donations.

Outline planning approval has been granted for two large developments, of 45 dwellings at each site but, since so many other villages have received similar approvals, it remains to be seen if there will be sufficient developers to bring these to fruition.

The Community Orchard is looking well, the trees having been mulched and fertilised but more significant rain is needed for them to benefit. The Centenary Spinney has been tidied up with the help of a Countryside Agency Grant, but the contractors carefully avoided clearing the blackthorn. Volunteers have done some of this work.

The newly formed Wrangle History Group was given a donation to enable it to acquire suitable storage equipment for the information gathered. Two sessions of first aid training have taken place recently, led by the British Red Cross, these were well attended.

The Parish Council has been awarded a grant from The Coastal Community Fund to help finance the refurbishment of the toilet block at the Recreation Field. The Show Committee plans to provide a Wrangle Village sign, and has asked the Parish Council for advice and possible part funding.

Continued...

The green area at Mel Marshall Way has, finally, been registered to the Parish Council and a sum commuted to fund maintenance for 15 years. Sadly, fly-tipping is on the increase and much heavier fines are needed to deter offenders.

Finally, my thanks to all our members for your support and attendance during the year, especially to my vice chairman and to our clerk, Teddy, who has done an excellent job in keeping abreast of all the legislation changes, and work with the magazine and website.

Having just had an election, we now find we are one member short. It is many thanks and goodbye to Bryan Ingham and Stephanie Dickens, who have stood down, and a warm welcome to Stephen Seymour, a regular attendee at our meetings.

I wish you all well for the ensuing year."

The accounts for the Wrangle consolidated Charities and the Alenson & Erskine Foundation were outlined, there were no issues raised. There being no correspondence, or members of the public present the meeting closed and was followed by the:

(Councillors present signed the Declaration of Acceptance of Office prior to the start of this meeting)

ANNUAL PARISH COUNCIL MEETING

Cllr Danby was proposed and seconded to continue as Chairman of the Parish Council, he accepted the position and signed the Acceptance of Office for the coming year.

Cllr Bowles was proposed and seconded to continue as vice-chairman of the Parish Council, he accepted the position and signed the Acceptance of Office for the coming year.

There were no changes made to the Standing Orders, they were amended in 2018 to include the GDPR. No amendments were made to the risk assessments for the Parish Council or for the Recreation Field.

Representatives on the Recreation Field Management Committee were approved as were the Parish Council Representatives on Outside Bodies.

The Annual Parish Council meeting was followed by:

Highways

Anglian Water will be carrying out essential maintenance works at Church Lane, Common Road and Brick Lane on 12 and 13 June. There will be a road closure on 01 July at Main Road between Common Road and Gowt Bank for essential maintenance works by BTS Group. The large hole in the verge at Hall Lane has been filled in by a local business. There has been some fly-tipping at Lade Bank and at Sea Lane.

Highway faults should be reported at:

www.lincolnshire.gov.uk/faultreporting

or use the 'fixmystreet' app via your mobile phone

This is easy to use to report highway defects, it allows photos to be taken there and then to be added to the report, but they are not necessary. All reports on this app go direct to the relevant authority.

Recreation Field

The grant application for £5000 has been approved and building regulations are required for the works to be carried out. Anglian Water would like to put pipework along the back of the pavilion to the car park to ease maintenance of the system by the public footpath. There are no objections, in theory, to this work being carried out. A meeting will be held with a representative from Anglian Water. The play area inspection will be ordered, Councillors can attend the inspection.

There is a problem with dog faeces in the recreation field. Please, if you walk your dog in the field CLEAN UP AFTER IT! You are not the only user of the field. Information about the Public Open Spaces Protection Order for Boston Borough Council is in the notice boards at the Recreation Field and the Parish Hall. ***The Order applies to all land within the administrative are of the Borough of Boston to which the public have access.***

Audit for the Year Ended 31 March 2019

The Clerk reported that the Exercise of Public Rights, together with the dates and times the accounts will be available for inspection, will be in the notice boards and on the website from 10 June. The dates for Exercise of Public Rights are 17 June to 26 July. The Chairman read out the statements in the Annual Governance Statement and ticked the relevant boxes following response from the Councillors present. The Fixed Assets figure was agreed by the Council.

The figures in the Accounting Statement were read out by the Clerk and approved by the Council. Other paperwork, required by the External Auditor, has been prepared by the Clerk.
