Here we are, in the middle of February, and it's not much drier than last month. Of course we have had some welcome, and very strong, drying winds but the frequent rains keep putting us back.

Some land is now getting ploughed but winter drilling, except for the best land, is making very slow progress. At least the mornings are lighter and the nights are beginning to pull out. I always think it's a lovely time, that hour before dark, when the sun is low and the shadows long and everything is bathed in a rich 'sun-setting' colour.

We had a wonderful Plough Sunday Service, on 26 January, with a really good attendance. Hopefully we will be able to make our church water-tight before too long.

The recent strong winds have put our temporary covering under much pressure, and we have needed to make some repairs. Storm Dennis, due to arrive this weekend, will be another challenge.

We often have little egrets on our wetlands, but I was pleased to see four GREAT egrets here earlier this week. They are as big as grey herons but absolutely white. The robins are singing and soon we'll hear the blackbirds. For the past three years I've had a song thrush singing early in spring but, sadly, it hasn't stopped to breed. Hoping for better luck this year.

From the desk of your Vicar...

Isn't it wonderful to witness the signs of Spring – lighter mornings and evenings, even the sight of daffodils. Hopefully we'll soon be warm in Spring sunshine, meanwhile do keep an eye out for your neighbours in the remaining cold snaps.

Easter is 12 April this year, so look out for our Holy Week and Easter Services in the next magazine. Lent, the season of preparation for Easter, began on Wednesday 26 February, so the whole of March falls into Lent this year.....

22 March is Mothering Sunday – at St Mary and St Nicholas, Wrangle we have an 11.00am Service in celebration – do join us!

Lent is traditionally associated with 'giving something up' but it is so much more than that, it's about examining ourselves and looking very honestly at who we are and how we are living, treating others and so on. Then we consider who we really wish to be, how we want ideally to live to treat those around us – perhaps even how we would like to be remembered. Then we take a step towards who we would like to be – perhaps only a small step, eating more healthily for example.

Lent is about this self-examination and getting our life back onto its correct path, it has long been associated, too, with acts of generosity to those who have fallen on hard times or who simply do not have what we have, but this erupts out of the same act of honestly looking at ourselves. So I encourage you to keep a Holy Lent, to seek to change yourself for the better and to be generous to those in difficulty.

Our Lent Course is to take place on Thursday afternoons – we begin on Thursday 05 March. The course will be based on the book "Talking of God Together" – there will be loads of room for comment and discussion. The course will run from 2.00pm to 3.30pm on the Thursdays 05, 12, and 26 March and 02 April. We shall meet at the Methodist Chapel on the Main Road in Wrangle; I shall be leading some of the sessions as will Reverend Julie Doddrell. It promises to be an interesting study so please join us – and I'm sure we'll have refreshments too!

May God richly bless you!

Lead theft in our diocese

The past 12 months have been a particularly difficult year for many of our parishes due to a significant rise in lead thefts. In total, 30 churches have been targeted, and despite the arrest of four suspects in December 2019 the problem has not abated – within the first two weeks of the new year two further thefts had taken place.

Lead theft is a devastating crime not only for the parish, but also for the wider community. The cost involved for the replacement of the lead using terne-coated stainless steel – a far less attractive material for metal thieves – can be considerable. Most insurers will cover the cost of a replacement roof if the church is alarmed, has SmartWater and all of the appropriate signage. Where a church doesn't have an alarm, but has the other precautions it is likely the pay-out will be capped at around £7500. With the latter the net result is that parishes have to find the repair and reinstatement costs from a combination of church funds and charitable grant givers.

On average the replacement of an aisle roof can cost in the region of £30,000, and a nave roof, with more scaffolding involved, can be as much as £70–80,000. Therefore, it is in everybody's interests to try and minimise the risk of lead theft from a church. With this in mind, and if there is lead at your church, here is some advice:

- Make sure that where you already have Smart Water or similar it is up to date, registered and the appropriate signage has been installed.
- If you have an alarm ensure it is checked regularly and serviced as required.
- Be on the alert for suspicious activity around the church and ask parishioners who live close to the church to be especially vigilant. Any suspicious activity can be reported using the police 101 number, and if you think a crime is in progress then ring 999.

Further advice about lead theft can be found on the diocesan website, where there is also advice on what to do if the worst happens and who to contact in the diocesan Church Buildings department if it does.

There has been lots going on at Wrangle Primary School this term and we would like to tell you more about it! Our school values are Determination, Resilience, Excellence, Aspiration, Motivation and Success (D.R.E.A.M.S.) and we aim to give all of our children the opportunity to try new experiences as they prepare for life in our local community and beyond!

Children's Mental Health Week

On February 3rd, we had a 'Yellow Day' to raise awareness of Children's Mental Health Week and raised money for Place2Be. Throughout the week, children thought of ways to *Find Your Brave* which was this year's theme. Year 5/6 were even on residential for three days so it was a great chance for them to do this.

Red Class Afternoon Tea Party

Red class received an official invitation from the Queen to attend her tea party to start their project of Bright Lights, Big City. The children had a fantastic time and the adults were amazed by the number of cups of tea that were consumed... cheers!

Kidzania Visit

Our Year 5/6 School Councillors visited Kidzania in London on 22nd January as part of their work with Kyra Kids Council. During their day, they had the opportunity to try plenty of potential careers for their future like Paramedics, Firefighters, Couriers, Musicians, Cleaners, Pilots and Police Officers.

What a fantastic day!

Scarlet Class Sing-a-long

As part of their project on World War Two, Scarlet class visited the Minstrels and sang some war time songs. They spent some time socialising with the residents before coming home and everyone had a wonderful time.

We always welcome visits to our school. If you have a child due to start school in September 2020 or 2021 or you are new to the area, please get in contact with us to have a look around. Contact us on 01205 870509.

Chalk and Talk: 1950's School Days

Rows of desks, lined up in pairs,
ink-wells and 'pushed-under' chairs.

Not a lot to stimulate the mind;
no trendy screens – just the daily grind!

Blackboards and exercise books ruled
each day;

various teachers 'had their say'...

Multiplication tables chanted together
aloud;

remembering them made us feel so
proud!

Country dancing with music blaring;
prancing around, not really caring
which way we were supposed to go,
laughing together, swaying 'to and fro'.

Basic schooling in many ways
but we learnt a lot in those by-gone days!
Inspiring teachers opened up our world;
seeds were sown, careers unfurled...

THE RECYCLING CENTRE AT THE RECREATION FIELD

This photo was recently taken of rubbish dumped by the recycling bins in the recreation field.

The cardboard could have been put in the newspaper bin.

The bucket and televisions should be taken to the recycling centre where there is a specific place for them to be placed for recycling.

If you cannot get to the recycling centre then Boston Borough Council will arrange to collect them from you, at a cost. If you get someone else to take them to the tip for you, always make sure they have a tipping licence – if the rubbish is dumped and traced back to the owner then the owner will be fined, if you have the licence number then the owner of the licence will be fined for fly tipping.

FROM THE BOROUGH COUNCIL WEBSITE:

We operate a pre-paid collection and disposal service for large household items which householders may find difficult to transport to the Household Waste Recycling Centre.

Prices below are only a guideline and subject to amendment depending on the size and weight of certain objects. Electric/reclining chairs or beds for example will be a lot more expensive than a standard priced items, as these are heavy objects.

Standard items:

1 to 2 items = £18 3 items = £25 4 to 5 items = £30

Large white electrical items such as fridge-freezers or chest freezers:

1 large white item = £26.25 2 large white items = £36.75

If you have more than 5 items, please call 01205 314200 to discuss this with an Advisor.

*Please note the Borough Council **CANNOT** collect building materials, asbestos, hazardous waste or medical waste.*

Please consider others when dumping rubbish at the recreation field it is there for everyone to use and enjoy.

Please use the recycling facility responsibly. If you see anyone fly tipping in this area please report it to the Borough Council who can take any necessary action.

LINCOLNSHIRE WILL COMPANY

WITHAM FOURTH DISTRICT IDB

It's fair to say 2019 was a challenging year for the Board. We had two significant rainfall events in June and October/November. From January to November 2019 we took 786mm of rain (31 inches) across the District, compared to around 570mm (22 inches) in a "normal" year. During the River Steeping Breach in June 2019, the Board worked with the Environment Agency, and other bodies, to take 1 million tonnes of water from the River Steeping into our system (see picture) to avoid more flooding in Wainfleet. The cost of pumping this extra water was paid for by Government.

From January to November 2019 we pumped a total of 17,710 hours in our manned and unmanned pumping stations compared to a "normal" year of just 12,000 hours.

One of the unfortunate affects of heavy rainfall and saturated ground is drain bank slips. We have had nearly 40 slips across the District since last June totalling over 240 metres in length. We understand how frustrating it is for local residents when slip repairs are taking place and roads need to be closed, but I am pleased that the large slip on the Fodderdyke Drain Bank should be completed by Friday 24 January 2020.

Finally, the **Heritage Open Day** at Lade bank will take place on **19 September 2020**, from 10.00am until 4.00pm and, water levels permitting, we will run one of the Ruston & Hornsby diesel pumps at 1.00pm. This year, we are planning to unveil a completely new display for the visitors to see.

Our website contains lots of useful information and contact numbers should local residents want to learn more about the Board and the work that we do (www.w4idb.co.uk)

WRANGLE PARISH COUNCIL MEETING NOTES

Notes of the Parish Council meeting held on 04 February 2020 attended by:

Cllrs Pickett, Featherstone, Seymour, Wrisdale, Bowles, Edwards and Danby

Also present: County Cllr Skinner

Apologies: Received from Cllr Wright

Declarations of interest

Cllrs Edwards and Wrisdale declared an interest in Planning.

Approve Minutes of the meeting held on 03 December 2019

Notes of the meeting, previously circulated, were approved and signed as the minutes.

To receive reports from representatives on outside bodies

No Police report was received for this meeting.

Borough Councillor Pickett had nothing to report

County Councillor Skinner reported:

The work carried out at the Sea Lane junction was 50% funded by Staples. The roads in the area are not in very good order, keep reporting potholes via Fixmystreet. The 'works' on highways may be carried out by teams based in Horncastle

Chairman's report

The details of the costs of a by-election for a Parish Council has not been received, this will be chased up as £3000 seems a lot of money for a by-election, should one take place. Woodchip has been delivered to the orchard ready for spreading after the trees have been fertilised.

Highways

Street light no 4 in Tooley Lane is OUT. It was resolved to send a letter to Staples Bros to thank them for cleaning the footways and the main road just before Christmas. **Rubbish and garden waste should not be put in the dykes** – it could cause flooding in some areas.

www.lincolnshire.gov.uk/faultreporting

or use the 'fixmystreet' app via your mobile phone

This is easy to use to report highway defects, it allows photos to be taken there and then to be added to the report, but they are not necessary. All reports on this app go direct to the relevant authority.

Plans Received

B/20/0014 - M Leggate & Sons - Change of use of land to increase the curtilage and formation of a new landscaping bund with the erection of an extension on the north side of the existing agricultural building and the erection of a new cold store building at Gowt Bank - **SUPPORT**

ANY ISSUES WITH PLANNING APPLICATIONS SHOULD BE SENT DIRECT TO THE PLANNING DEPARTMENT AT BOSTON BOROUGH COUNCIL AS THE PARISH COUNCIL IS NOT A STATUTORY CONSULTEE FOR APPLICATIONS

Planning Decisions

There were no planning decisions received for this meeting.

Recreation Field

The football goals have been delivered and the grant has been applied for. The works at the toilet block are complete, but the internal walls will need more paint, the grant will be applied for and photos sent, as required. Two local companies have agreed to fill in the potholes in the car park free of charge. If they need more materials than first thought, then the Parish Council will be invoiced for the extra. There is a lot of rubbish being left around the recycling bins. This will be reported to the Borough Council - **the recycling site is not a tip.**

Wrangle Maps

Maps of Wrangle are available for purchase at a cost of £5.00 each, if you would like a Wrangle map please contact the Parish Council Clerk by e-mail or phone. The maps are also available at the Church.

Date and Time of Next Meeting

The next meeting will be held on 03 March 2020 at 7.30pm, with a public Forum from 7.15pm

A campaign card for Matt Warman MP. On the left, there is a list of contact information with icons: a house icon for the address '63 Wide Bargate, Boston, Lincolnshire PE21 6SG'; a telephone icon for the number '01205 809110'; an envelope icon for the email 'matt.warman.mp@parliament.uk'; a globe icon for the website 'mattwarman.co.uk'; and a ballot box icon for 'Warman for Boston Skegness'. In the center is a portrait of Matt Warman, a man in a suit and tie. To the right of the portrait, the text 'MATT WARMAN MP' is written in large, bold, white capital letters. Below this, the slogan 'Serving the people of Boston and Skegness' is written in a white cursive font. In the background, there is a faint crest or coat of arms.
